Nakanishi, James S. Lai, James Siu-Fong Lai, 2003 Asian Americans are emerging as a political force and yet their politics have not been systematically studied by either social scientists or politicians Asian American politics transcend simple questions of voting behavior and elective office going all the way back to early immigration laws and all the way forward to ethnic targeting For the first time this book brings together original sources on key topics influencing Asian American politics knit together by expert scholars who introduce each subject and place it in context with political events and the greater emerging literature Court cases legislation demographics and key pieces on topics ranging from gender to Japanese American redress to the Los Angeles riots to Wen Ho Lee round out this innovative reader on a politically active group likely to grow in number and electoral impact *The Taiwanese Americans* Bloomsbury Publishing, 1998-05-26 Despite the relatively short history of the Taiwanese in the United States they have been a significant presence in America Since 1965 immigration law changes have led to a dramatic increase in the Asian population in the United States Taiwanese Americans the immigrants from Taiwan and their descendants are a prominent group in this increasing Asian population This is the first book length study about the Taiwanese American community in the United States While most articles have discussed the economic impact of their immigration this study focuses on their community organization information networks

religious practices cultural observances and the growing second generation Finally it concludes with an assessment of the contributions of Taiwanese Americans to U S society Biographical sketches of noted Taiwanese Americans complete the text The identity of the Taiwanese American community is complex and evolving because it is partly determined by the politics between Taiwan and China As relations between Taiwan and China change so will the identity of Taiwanese Americans Other variables affecting their identity include the relations between mainlanders and native Taiwanese in Taiwan political liberalization within Taiwan the role of U S policy towards Taiwan and China and the nurturing of a Taiwanese consciousness An increasingly important variable is the orientation of the second generation American born Taiwanese Americans They have the options of being simultaneously Taiwanese American Chinese American Asian American and American Taiwanese Americans are helping to reinvent America by transforming the economic and cultural landscape of the U S as have previous waves of immigrants
