The cover of the Merriam-Webster's Notebook Atlas features a vibrant, multi-colored map of the United States. The colors are a mix of greens, blues, reds, and browns, giving it a textured, almost topographical appearance. The map is set against a dark blue background that has a subtle gradient. On the left side, there are three white circular punch holes, suggesting the book is designed to be used in a binder. The title is centered in a white oval with a blue border.
