Notes Et Memoires 9 1969

David Meren

Notes Et Memoires 9 1969:

With Friends Like These David Meren, 2012-05-15 One of the most enduring images of Quebec's Quiet Revolution is of Charles de Gaulle proclaiming *Vive le Québec libre* from the balcony of Montreal City Hall in 1967. The French president's provocative act laid bare Canada's unity crisis and has dominated interpretations of the Canada-Quebec-France triangle ever since. *With Friends Like These* demystifies this *cri du balcon* by shifting the focus from de Gaulle to the broader domestic and international forces at play. Meren traces the evolution of Quebec's special relationship with France after the Second World War and reveals that the resulting clash of nationalisms—French, Québecois, and Canadian—was fuelled not only by personalities and events but also by the efforts to respond to the power and influence of the United States in an increasingly interconnected world. By seeking to understand rather than simply condemn aspects of Québec Gaullist and Canadian nationalism, Meren casts doubt on established interpretations of events and exposes the complexity of a growing international interest in Canadian affairs.

The Presidency of Harry S. Truman Donald R. McCoy, 1984 In this volume in the American Presidency Series, McCoy recounts and evaluates the record of the Truman Administration and identifies its distinctiveness and relations to the past, its own time, and the future. Focusing on the problems that faced the United States between 1945 and 1953, he explains how Truman's vigor in championing civil rights, health, labor, education, and natural resource policies brought him immense unpopularity and how, despite this, Truman triumphed in 1948 winning bipartisan support for his foreign and military policies. The author depicts Truman as an honest, hard-working, capable, and complex man and describes his relationships with his staff, Congress, foreign representatives, the judiciary, political parties, the press, the public, and influential private citizens.
