Notes from Baby Angel Grace Baby Angel Grace, Marian Behnke, 1995-10-01 NOTES FROM BABY ANGEL GRACE was written by a REAL BABY ANGEL to all women everywhere who have suffered the loss of a child or baby born or unborn by illness tragedy miscarriage or abortion Baby Angel Grace speaks only truth from her heart to all hearts Her words can bring everlasting peace The 40 original etchings are outstanding This book is unlike any other Angel Book due to the phenomena of a REAL BABY ANGEL as the giver of the message Never in the history of time has a baby angel come in actual form to earth as a messenger Order from Azure Publishing P O Box 1388 Suite 160 Weaverville NC 28787 704 645 6137 *Motherhood Lost* Linda L. Layne, 2014-02-04 Nearly 20% of all pregnancies in the U S end in miscarriage or stillbirth Yet pregnancy loss is seldom acknowledged and rarely discussed Opening the topic to a thoughtful and informed discussion Linda Layne takes a historical look at pregnancy loss in America reproductive technologies and the cultural responses surrounding miscarriage Examining both support groups and the rituals they create to help couples through loss her analysis offers valuable insight on how material culture contributes to conceptions of personhood A fascinating examination *Motherhood Lost* is also a provocative challenge to feminists and other activists to increase awareness and provide necessary support for this often hidden but critically important topic [Connecting Link](#) , **Subject Guide to Books in Print** , 2001 *Subject Guide to Children's Books in Print 1997* Bowker Editorial Staff, R R Bowker Publishing, 1996-09 **Forthcoming Books** Rose Army, 1998-04 *Sunday* , 1881 *Letters of St. Therese of Lisieux, Volume II* St. Therese of Lisieux, 2014-09-29 This sequel to volume 1 contains all of Th r se s letters from the end of September 1890 during her novitiate until her death in 1897 as well as many letters written to or about her Here the mature Saint Th r se shows the path of her growth as a religious and as a deep spiritual writer The reader learns much about all of her correspondents including her two missionary brothers and gains familiarity with the development of her thought and message Fifty pages of complementary documents give us useful tools for studying the texts This work has been translated from the critical edition by John Clarke OCD The ebook includes 4 pages of facsimiles of Th r se s letters plus a fully linked general and biblical index *Luke: Jimmy Swaggart Bible Commentary* Jimmy Swaggart, LUKE BIBLE COMMENTARY After nearly 40 years of full time ministry Brother Swaggart published his first commentary on the book of Genesis that was later described as the most helpful Bible commentary ever published It would take nearly 20 years to complete the entire commentary series from Genesis to Revelation True to Pentecostal theology the Jimmy Swaggart Commentary collection leads its readers chapter by chapter to a better understanding of the Bible Rather than providing notes on every Bible verse these commentaries focus on the salient verses of each chapter to offer the reader a condensed synopsis of what the Holy Spirit intended Where most relevant cultural and historical references are also included along with explanations of the allegories types and symbolisms used in the Bible to add depth and dimension for students of the Holy Scriptures Yet what seems to separate this work from all other

commentaries are the biblical applications made to present day circumstances facing every believer Printed on high quality paper and bound with a beautiful hardback cover this unique reference will be cherished by anyone who loves to study the Word of God

The Hidden Face Ida Friederike Görres, 2009-09-03 This study of the life and character of Therese of Lisieux is a remarkable penetrating and fascinating search for the truth behind one of the most astounding religious figures of modern times A young nun who entered a convent at fifteen and died at twenty four ThTrFse roused an incredible storm of spontaneous veneration only a few months after her death and has been called by one Pope as the greatest saint of the modern times Countless images of the sweetly smiling saint flooded the world But who was she really The Hidden Face has sprung from this question It presents the true Therese as objectively as possible and gives a convincing interpretation of her sainthood It is a book not for Catholics alone but for anyone fascinated by the force of spirituality by the incalculable effects of what Pascal called the greatness of the human soul It opens the cloistered world of the Carmel takes off the sugar coating and reveals the stark drama behind convent walls the tension between personalities the daily details of conventual life And it throws light on the tremendous purifying process that turned the pampered darling into a saint of heroic virtue The work of a mind of rare intelligence and integrity this book is unique among the lives of saints First published in Germany in 1944 the original is now in its eighth edition This first English translation is based on a new revised version using the latest edition of the saint s writings Ida Friederike Goerres is the author of several outstanding works on sanctity including *The Nature of Sanctity* and *The Cloister and the World* The Hidden Face is considered her most important work

The Midwife's Confession Diane Chamberlain, 2011-04-26 Dear Anna What I have to tell you is difficult to write but I know it will be far more difficult for you to hear and I m so sorry The unfinished letter is the only clue Tara and Emerson have to the reason behind their close friend Noelle s suicide Everything they knew about Noelle her calling as a midwife her passion for causes her love for her friends and family described a woman who embraced life Yet there was so much they didn t know With the discovery of the letter and its heartbreaking secret Noelle s friends begin to uncover the truth about this complex woman who touched each of their lives and the life of a desperate stranger with love and betrayal compassion and deceit Told with sensitivity and insight *The Midwife s Confession* will have you turning pages late into the night From the bestselling author of *The Lies We Told* and *The Secret Life of CeeCee Wilkes* comes a story of deception that asks How much is too much to forgive
