Francesco de Cecco

On Competition:

On Competition Michael E. Porter, 2008 Porter was the first to bridge the field of industrial organization with the field of management effectively forging the new field of competitive strategy *Federal Register*, 2013-06 *The American State Reports* Abraham Clark Freeman, 1900 Enterprise Act 2002, 2002 The Office of Director General of Fair Trading will be replaced with effect from 1 April 2003 by the Office of Fair Trading OFT New independent competition bodies will take decisions on merger and market investigations using competition based tests rather than the current public interest test A maximum penalty of five years in prison will deter individuals who dishonestly operate hardcore cartels Victims of anti competitive behaviour will find it easier to bring claims for damages for losses due to anti competitive behaviour Stop Now Orders will be extended to protect consumers from traders who do not meet their legal obligations The OFT will be obliged to respond within 90 days to super complaints from consumer bodies In insolvency cases the use of administrative receivership will be restricted and the balance will be shifted in favour of administration The Crown's preferential right to recover unpaid taxes ahead of other creditors will be abolished Almost all bankrupt individuals will be automatically discharged after a maximum of 12 months Reforms to the Insolvency Services Account will mean that creditors receive the maximum possible investment return

A Handbook on Accession to the WTO World Trade Organization, 2008-06-19 The Handbook provides a detailed explanation and analysis of the process whereby governments become Members of the WTO The WTO Agreement which came into force on 1 January 1995 provides few details on how this process is to take place Consequently the steps in the detailed negotiations leading up to access have evolved through the actual negotiations for governments which have become Members of the WTO since 1995 This handbook provides an account of how the process evolved and in offering details on the process as it is now applied Moreover the input of the WTO Secretariat into the preparation of the guide provides information not available until now to anyone outside the Secretariat The Secretariat has supported production of this handbook in the hope it will serve as a useful source of reference for officials from acceding governments WTO Members academia and the general public

State Aid and the European Economic Constitution Francesco de Cecco, 2012-12-14 Recent years have seen the rise of EU State aid law as a crucial component of the European economic constitution To date however the literature has neglected the contribution of this area of EU law to the internal market This book seeks to fill this gap in our understanding of the economic constitution
