A Commentary on PHILIPPIANS David Pawson, 2017-11-07 This church was not suffering from doctrinal error so Paul did not come with a heavy hand He did not have to rebuke someone strongly as at Corinth The only problem he was concerned about with this church with which he had such a lovely relationship was their unity Philippians Donald Baker, 1999-07-09 What would it be like to have a sense of joy that continued even in times of trouble Such was the deep joy that the apostle Paul experienced even in prison His contentment was neither dependent on circumstances nor changed by difficulty In nine session LifeGuide Bible Study on Philippians Paul will show you too how to live joyfully in every situation Philippians N. B, Mythology and folklore. C, Philosophy. 1910** William Swan Sonnenschein,1910 Commentary on Philippians Charles Spurgeon,2014-03-26 Baptist pastor Charles Haddon Spurgeon is remembered today as the Prince of Preachers But in addition to his sermons he regularly reading a Bible passage before his message and gave a verse by verse exposition rich in gospel insight and wisdom for the Christian life Sample Philippians 1 1 5 Philippians 1 1 2 Paul and Timothy the servants of Jesus Christ to all the saints in Christ Jesus which are at Philippi with the bishops and deacons Grace be unto you and peace from God our Father and from the Lord Jesus Christ Grace first for that is the fountain Then peace comes for that is the fitting stream to flow from the Fountain of Grace Seek not peace first for there is no peace for unregenerate man Grace first then peace and both must come from God our Father and from the Lord Jesus Christ The Father is the great eternal Fountain of all these blessings but the Son is the Divinely appointed Channel through whom they flow down to us 3 I thank my God upon every remembrance of you Taking the long run of his acquaintance with them remembering them from the time when he preached by the riverside and Lydia was converted even until the moment of his writing to them as a prisoner in Rome he knew nothing of them but that which gave him joy He thought how they had of their own free will ministered again and again to his necessities when no other Church was mindful of him Their grateful benevolence caused him to thank God He had no dash of bitter in the cup of his happy memory of them As long as he remembered their prayers their courage their faith their labor their unity their constancy their zeal their thoughtfulness and their liberality he felt unmingled gratitude to the Author of all these excellent things 4 Always in every prayer of mine for you all making request with joy For some we have had to pray with tears and sighs and for others with trembling But the Lord so heard Paul in the past with regard to these Philippians that every time he began to pray he felt liberty in prayer a joy in bearing their names before the Lord and a sweet assurance that he was not praying in vain His was not the cry of anguish but the request of delight For these beloved ones Paul approached the Mercy

Seat with boldness and confidence he felt sure of being heard on their account 5 For your fellowship in the gospel from the first day until now If you look at the Revised Version it is for your fellowship in furtherance of the Gospel The Apostle longed to spread the Gospel And so did they He was earnest to carry it to the regions beyond so were they If he preached they would be there to encourage him If he held special meetings they were ready to help If money was required every man was ready according to his means without pressing Each one felt as earnest about the work as did his minister They were enthusiastic for the furtherance of the Gospel they were heartily with him where he most valued their sympathy It was practical fellowship Some of them preached all of them prayed Some of them contributed money and all gave love Nobody shirked his work which was not looked upon as a labor but as a privilege You will not wonder that Paul rejoiced for it gives joy to every earnest man to see others earnest

Philippians John Reumann, 2008 In *Philippians* John Reumann offers both classical approaches and new methods of understanding this New Testament book With fresh commentary on the social world and rhetorical criticism and special focus on the contributions of the Philippian house churches to Paul's work and early Christian mission Reumann clarifies Paul's attitudes toward and interactions with the Philippians Departing from traditional readings of *Philippians* in light of Acts Reumann allows Paul to speak in his own right His three letters from Ephesus shed new light on relationships and we come to see how he approves some aspects of the dominant culture of friendship in Greco-Roman Philippi while disapproving others He seeks to help the Philippians discern how to be citizens of the heavenly kingdom and also Caesar's state though there is an undercurrent of Christ vs Caesar Scholars students and general readers alike will find much of interest in John Reumann's deeply researched and insightful new volume

Pitts, 2017 In his epistle to the Philippians Paul addresses internal struggles and external pressures that the church faced In the letter he presents the sacrificial life of Christ as the ultimate example the ethical foundation for all of life and then calls believers to imitate Christ in their own lives In this volume Mark J Keown scrupulously examines *Philippians* with a clear eye on the original text and a fine-tuned ear to first-century culture while also interacting with the full history of scholarship on *Philippians* Keown also carefully considers the letter's theological and devotional importance for present-day believers The result is the most comprehensive commentary on *Philippians* yet published
