On Preaching:

On Preaching H B Charles Jr, 2014-04-15 Preaching Magazine s 2015 Book of the Year On Preaching is a masterful resource that will refresh your soul and revitalize your preaching ministry Drawing upon Scripture and years of experience as a preacher H B Charles offers a practical resource for pastors seminarians church planters and Bible teachers that is full of energy and wonderfully enjoyable He gives tips like Avoid indecent exposure get your wife s permission before using your family in the message and Illustrate A good illustration is like a window on a house It helps your listeners see in or out Written in a very clear and concise manner this resource is formatted into 30 short chapters that can easily be read as a devotional On Preaching will encourage seasoned preachers to dig deeper into the basics as they pause and reflect on the effectiveness of their ministry It will also serve as a spring board for those who are just beginning a preaching ministry

Lectures on Preaching Phillips Brooks, 1877 Phillips Brooks a veteran minister with years of experience at the pulpit shares guidance on preaching and serving in the ministry in these lectures delivered at Yale University The nineteenth century was a time of great expansion in the United States and by extension the churches and Christian movements Demand for new preachers and ministers burgeoned that the many new communities founded had God in the hearts and minds of their inhabitants Having lived in what was an environment of upheaval Brooks felt it appropriate to pass on the wisdom and advice to prospective new ministers looking to found or join parishes around the country Making and delivering fine sermons the messages of which stay with the congregation is at the heart of what a good minister does Yet the work is not confined to merely this the preacher must be a support to the communal and spiritual life of his locality that his congregation be kept in good health and that their souls be shepherded toward a life of virtue and good conduct The preacher must also turn his attention inward his character must be examined for flaws or bad habits with virtues cultivated that he stand as a model for the wider community Lectures on Preaching: Phillips Brooks, 2025-10-23 In *Lectures on Preaching* Phillips Brooks one of the most eloquent voices in nineteenth century American Christianity offers timeless guidance on the art and soul of preaching Delivered to students at Yale Divinity School in 1877 these lectures combine the intellectual depth of a theologian with the compassionate wisdom of a pastor Brooks challenges preachers not merely to instruct but to inspire to communicate divine truth through the living energy of personality conviction and love With rare clarity Brooks explores the preacher s inner life the cultivation of sincerity moral courage and empathy as essential to ministry He rejects mechanical eloquence in favor of authenticity urging ministers to speak as human beings to human beings not as performers but as witnesses to faith Drawing on Scripture philosophy and his own pulpit experience he articulates a vision of preaching that is both deeply spiritual and profoundly practical More than a manual for clergy *Lectures on Preaching* is a meditation on communication itself on how ideas when fused with integrity and spirit become transformative Over a century later Brooks s insights still resonate with anyone seeking to speak truth with clarity and grace It remains a cornerstone text in the theology of ministry

world people rise up and claim to speak in the name of God It is an astonishing thing to do and an astonishing claim to make It is small wonder that the sermon has been the focus of debate discussion and investigation It has been dismissed as irrelevant in today s culture and has become the butt of numerous jokes and caricatures Yet the claim persists that these human words in some way can become God s message to these hearers This collection of twenty nine articles by international experts in the area of homiletics coincides with the revival of interest in preaching over the last twenty five years It is practical without being merely tips for preachers and it offers the necessary theoretical discussion for anyone who wants to take the art of preaching seriously No important issue has been omitted and taken as a whole the book constitutes a first class introduction to the principles processes context and theology of preaching Contributors include Walter Brueggemann David Buttrick Fred Craddock Edward Farley John Killinger Richard Lischer Thomas Long Elaine Lawless Jolyon Mitchell Cheryl Sanders and Thomas Troeger *Lectures on preaching* William Boyd Carpenter,1895 **Lectures on Preaching** Phillips Brooks,1950 **Conversations with Barth on Preaching** Bishop William H. Willimon,2010-09-01 One of today s

greatest preacher theologians engages one of the twentieth century s greatest teacher theologians on the meaning of preaching Readers of William H Willimon s many books have long found there the influence of Karl Barth probably the most significant theologian of the twentieth century In this new book Willimon explores that relationship explicitly by engaging Barth s work on the pitfalls and problems glories and grandeur of preaching the Word of God The Swiss theologian says the author expressed one of the highest theologies of preaching of any of the great theologians of the church Yet too much of Barth s understanding of preaching lies buried in the Church Dogmatics and other sometimes obscure sources Willimon brings this material to light introducing the reader to Barth s thought not just on the meaning but the practice of preaching as well *Hints on Preaching* ,1879 **On Preaching** Phillips Brooks,1964 **Preaching** Ronald Allen,2002 Preaching it sounds like such a easy thing to do All you have to do is step into the pulpit and talk for 20 minutes right Anyone who s ever stepped into that pulpit knows that preaching is anything but easy Speaking a word from God that is grounded in the biblical witness theologically responsible and true to contemporary experience is one of the most difficult things one can do Advice on how to do this is as old as preaching itself and there are as many opinions on preaching as there are preachers Where do those who have been called to the ministry of proclamation begin What are the basic understandings and practices that

anyone who proposes to preach should know In this new addition to the Essential Guides series Ronald Allen seeks to answer these basic questions about preaching He does so through the use of an inductive method which is simply to say that he starts with a sermon itself and uses that sermon to illustrate the process of moving from the first thoughts about what one will preach to the delivery of an actual sermon itself Each chapter will raise a question about the sample sermon that leads into a broader discussion of the practical and theoretical issues that this particular aspect of the sermon raises e g What is the good news in this sermon What is the significance of this news for the congregation Does the preacher offer a clear and sensible interpretation of the biblical text or the topic Written with the needs of students in both traditional M Div classes and non degree ministry training programs in mind *Preaching An Essential Guide* will be an indispensable companion for all the others who seek to rightly explain the word of truth Ronald J Allen is Professor of Homiletics at Christian Theological Seminary Indianapolis Indiana **Lectures on Preaching** Matthew Simpson,1879 **The Expository Times** ,1891

The Christian Preacher Edward Williams,1810 **Preaching** James Cox,2002-06-17 Stands head and shoulders above the other texts Cox has complete mastery over all aspects of preaching Students and teachers will be awed Review and Expositor A contemporary restatement of the fundamentals of good preaching serves as a splendid refresher course for old timers and as a basic text for some of the newer preachers A distinctly practical handbook The Christian Century Balanced practical and familiar The strength of the book is the many practical sections in which the author gives step by step guidance A useful ring on which to cut one s homiletical teeth Theology Today Inspiring offers excellent counsel on ways to master the message will strengthen any pulpit Ministries A strong and worthy book may well prove little short of revolutionary in the years ahead The Christian Ministry
