## **Not Yet Nathan:**

**National and Freemason** ,1868      **Ron** Las Chance,2011-11-09 Ron Owen and Nathan are brothers who happened to be triplets as well While they were teenagers they created a silly game to fool people who were not aware that there were three boys not just one They never expected that playing that silly childhood game one more time would change their lives forever      **Mordew** Alex Pheby,2021-09-14 Alex Pheby s Mordew launches an astonishingly inventive epic fantasy trilogy God is dead his corpse hidden in the catacombs beneath Mordew In the slums of the sea battered city a young boy called Nathan Treeves lives with his parents eking out a meagre existence by picking treasures from the Living Mud and the half formed short lived creatures it spawns Until one day his desperate mother sells him to the mysterious Master of Mordew The Master derives his magical power from feeding on the corpse of God But Nathan despite his fear and lowly station has his own strength and it is greater than the Master has ever known Great enough to destroy everything the Master has built If only Nathan can discover how to use it So it is that the Master begins to scheme against him and Nathan has to fight his way through the betrayals secrets and vendettas of the city where God was murdered and darkness reigns At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied      [A Hebrew Anthology:](#)

[Selections from the drama](#) George Alexander Kohut,1913      [Adventure](#) ,1923      **Seven Candlesticks to Kingdom Come** Gene Brown,2020-03-25 This is a story unlike any you ve ever read The ancient House of Kandle communicates across the Great Divide Two messengers who speak as one have been sent from a bye gone world to inform us of things past and and warn us of things to come Their story begins innocently enough with the tale of Nathan Kandle a curious lad who encounters a mysterious creature named the fear weevil and painfully learns that he must stand and fight fear in order to escape it One world unfolds into another then another as Nathan is tested over and over again until the reader himself if confronted with the challenge of his own greatest testing yet to come Where did this story really come from and could it be true after all

[The Love we leave behind](#) Stephen Festus,2025-10-25 Love is not about possession it is about giving growing and sometimes letting go This novel is not just a romance it is a journey through the human heart where longing collides with faith where heartbreak transforms into resilience and where love reveals itself in its most unexpected forms At its core The Love We Leave Behind speaks to the endurance of love the way it waits aches and stretches the soul It is about the pain of waiting for what may never come and the quiet strength found in the act of release It shows us that love in its purest form is not measured by whether it is returned but by its ability to heal wounds awaken courage and inspire hope This is a story of love s paradox the way it hurts and heals the way it binds and frees It reminds us that even when love brings sorrow it leaves behind something beautiful growth wisdom and a heart that learns how to beat again A tale of love and loss of silence and awakening of patience and liberation this book captures love in all its forms patient painful redemptive and ultimately freeing The Love We Leave Behind will touch not only the romantic in you but also the seeker the dreamer and the wounded soul

longing to believe that love even when lost is never wasted This Novel conveys these key lessons Love is an act of selflessness True love is not about demanding or expecting it is about giving freely even when it hurts Patience in love is both a gift and a burden Waiting for love can be beautiful but when it becomes a prison it is time to set yourself free Not all love stories end in happily ever after but that doesn't make them any less meaningful Some love stories are meant to change us not complete us Loss does not erase love Whether through heartbreak or tragedy the love we leave behind continues to shape us and those around us Sometimes love is found in unexpected places The love Nathan longed for was not in Elena it was waiting for him in Sophia all along The deepest love is the one that sets us free Love is not about holding on too tightly but about embracing cherishing and letting it evolve You will not want to miss a story that whispers to every wounded waiting and wondering soul Love even when lost is never wasted The Love We Leave Behind is more than a novel it is an experience of the heart
