Precious Spring Myrna DIFFEY, 1997 The 5th Season: New year ku (books 1 & 2 of 4) Robin D. Gill, 2007 In this book the first of a series Robin D Gill author of the highly acclaimed *Rise Ye Sea Slugs and Cherry Blossom Epiphany* the largest single theme anthologies of poetry ever published explores the traditional Japanese New Year through 2 000 translated haiku mostly 17 20c The New Year R H Blyth once wrote is a season by itself That was nowhere so plain as in the world of haiku where saijiki large collections called of ku illustrating hundreds if not thousands of briefly explained seasonal themes generally comprised five volumes one for each season Yet the great doyen of haiku gave this fifth season considered the first season when it came at the head of the Spring rather than in mid winter only a tenth of the pages he gave to each of the other four seasons 20 vs 200 Was Blyth Zen enthusiast not enamored with ritual Or was he loath to translate the New Year with its many cultural idiosyncrasies most common to the Sinosphere but not to the West because he did not want to have to explain the haiku It is hard to say but with these poems for the re creation of the world Robin D Gill aka keigu respect foolishness or respect fool rushes in where even Blyth feared to tread to give this supernatural or cosmological season one that combines aspects of the Solstice Christmas New Year s Easter July 4th and the Once Upon a Time of Fairy Tales the attention it deserves With G K Chesterton s words evoking the mind of the haiku poets of old the author publisher leaves further description of the content to his reader reviewers The man standing in his own kitchen garden with the fairyland opening at the gate is the man with large ideas His mind creates distance the motor car stupidly destroys it G K Chesterton *Heretics* 1905 *Dogma And Preaching* Joseph Ratzinger, 2012-03-06 This volume is an unabridged edition of *Dogma and Preaching* a work that appeared in a much reduced form in English in 1985 The new book contains twice as much material as first English edition *Dogma* for many people is a bad word For the well informed believer it shouldn t be Dogmas are truths revealed by God which should enlighten the minds guide the choices and gladden the hearts of Jesus disciples including pastors deacons and lay teachers But as Joseph Ratzinger Pope Benedict XVI notes in the foreword to this book The path from dogma to proclamation or preaching has become very troublesome Finding ways to relate the content of the Church s dogmas to everyday life can be challenging for today s preachers and teachers Some people find the task so daunting that they leave dogma out As a result they wind up presenting something other than the Church s faith and speak in their own name offering perhaps unwittingly merely their own subjective ideas rather than the Word of God In *Dogma and Preaching* the theologian and priest Joseph Ratzinger provides 1 a theory of preaching for today 2 application of this theory to some themes for preaching drawn from the Church s dogmas 3 meditations and sermons based on the liturgical year and the communion of saints and 4 some thoughts regarding the decade after the Second Vatican and Christianity s seeming irrelevance Ratzinger insists that sound preaching should rest on three pillars Dogma Scripture and the Church Today the contemporary situation in which the Church finds herself He shows that the proper understanding of the Church her dogmas

the nature of faith and the contemporary world allow the proclaimer believer to remain faithful to the Church's mission and life changing message
