## Maybe A Miracle:

**Maybe a Miracle** Brian Strause,2006-05-30 After eighteen year old Monroe Anderson s little sister Annika nearly drowns in the family pool Monroe struggles with who he is and what is worth believing in while his parents cope with the accident in other ways *It's Just Me* Bob Spies,2024-04-16 I m not famous I m not a theologian I m not a Bible scholar I m not a pastor I m just a regular guy who tries his best to make sense out of the world he s living in including my spiritual world To most people I m just a nobody But I m a nobody who questions what people tell me until I can come to peace with it I don t take anything at face value That s the way God wired me The first time I read the Bible cover to cover I had questions a lot of them forty typewritten pages worth For instance why does God get so angry Does God ever change his mind Is there only one way to get to heaven Is it possible to please God Did even Judas get saved What about reincarnation Will heaven disappear Do you talk to dead people Can you trust the Bible Is Jesus really the son of God And I had questions about things you hear many Christians say like God is in control but is he I had hundreds of these questions and I wanted answers That s what this book is about It has been seventeen years in the making I wanted answers so I searched for them I met with my pastor I read books he recommended I researched various theological views from trusted online resources There were times I speculated my own answers because I couldn t find anything else to hang my hat on Sometimes there simply were no answers But I found out that it s not about getting the answers that s most important anyway It s the search for the answers Join me in that search You might just find answers to some of your own questions **Hidden Halo** Holly Stanbrough,2016-02-12 Holly I write because its my healing power I write for others who cant find the words to heal I write because I dont know how not to write **The Miracle Collectors** Joan Luise Hill,Katie Mahon,2021-03-02 This eye opening book will teach you how to step back examine important moments in your life and recognize the miracles that are constantly occurring all around you As part of their own spiritual quest miracle experts Katie Mahon and Joan Luise Hill discovered that when we are truly awake and present miracles abound It started by sharing their own stories which quickly prompted an unexpected outpouring of stories from others Stories that had never been told stories that didn t seem to matter and stories that had been forgotten While some defy explanation others invite us to take a closer look to discover common ground with each other and to seek meaning in a whole new way The stories of courage forgiveness gratitude faith hope and love from *The Miracle Collectors* allow us to notice and appreciate the miracles that are available to each one of us while opening us up to a part of the Divine mystery we can absorb and understand By using *Take a Miracle Moment* challenge at the end of every chapter you open the path for your own reawakening of the spirit Perhaps you too will become a miracle collector **God Is Redundant** M. Anton Mikicic,2010 M Anton Mikicic s god is redundant evolved from a free thinking dad s letter to his two pre teen daughters not to indoctrinate them into a secular worldview but rather inform them about other perspectives beyond Christianity Written in plain language and containing many famous and thought provoking quotes it recaps some of the classic arguments for and

against theism as well as reviews some of the most recent work of authors like Richard Dawkins Sam Harris and Christopher Hitchens Mikicic dispels common misconceptions about theism and atheism and provides simple and straightforward answers to questions like Is the U S a Christian nation What are the differences between faith and reason What are the benefits and drawbacks of religion What are the arguments for and against theism How accurate is the Bible Who was Jesus Was he unique or historical Is religion the basis for morality Born into a Catholic family and educated by Jesuits M Anton Mikicic evolved from an a la carte to a recovering Catholic and is now a full fledged skeptic Always fascinated by philosophy theology science and religion god is redundant is the result of his search for intellectual honesty in matters of faith Professionally Mikicic has worked in marketing and has a master s degree in advertising He s a member of the American Civil Liberties Union and the Freedom from Religion Foundation Mikicic enjoys the arts especially music literature and film His favorite freethinkers include Thomas Jefferson Mark Twain John Lennon Dan Barker Richard Dawkins Sam Harris Christopher Hitchens George Carlin Bill Maher and Julia Sweeney But most of all Mikicic loves just spending time with his family especially traveling to new places enjoying nature or discussing what everyone learned that day over one of his wife s fabulous dinners and a glass of wine
