The second in the Sesquicentennial history of Michigan State University. This volume explores the Hannah years. Michigan State University cannot be separated from the enormous influence of one man, John Hannah, who steered its growth, academic programs, influence, and international prestige. *On the Campus at Michigan State*, Michigan State University, 1925. **Michigan State Normal College Summer Session Bulletin Collection**, Eastern Michigan University, Michigan State Normal College, 1906. **Annual Catalog of the Michigan State Normal College for ...**, Eastern Michigan University, Michigan State Normal College, 1923. **The Report to the President of Michigan State University from the Commission on Admissions and Student Body Composition**, Michigan State University, Commission on Admissions and Student Body Composition, 1971. **Reaching Higher**, The State News, 2016-04-01. After winning 13 games in 2013 and 11 in 2014, Michigan State coach Mark Dantonio was anything but satisfied. Dantonio announced in the summer that his 2015 team's motto would be "reach higher." The Spartans did just that. Behind quarterback Conner Cook and one of the nation's top defenses, Michigan State survived a few early season scares before statement wins over rivals Michigan and Ohio State set up a Big Ten championship game match-up against Iowa in Indianapolis. MSU scored on an epic final drive to secure the conference championship and a spot in the College Football Playoff. **Reaching Higher** is the story of how Coach Dantonio elevated Michigan State into college football's elite, told through images and stories from *The State News*, Michigan State's award-winning student newspaper. This commemorative edition highlights the key moments and stars from the Dantonio era in East Lansing, from Dantonio's hiring in 2007 to the thrilling overtime win over Georgia in the 2012 Outback Bowl, to the 2013 Big Ten championship season and Rose Bowl win, to the program's College Football Playoff berth in 2015. Also including features on stars Cook, Kirk Cousins, LeVeon Bell, and others, **Reaching Higher** is an essential read for every Spartans fan. *Arrogance and Scheming in the Big Ten*, David Young, 2012-03-01. While investigating how the current Big Ten Conference came to include Michigan State and not other suitors including Pittsburgh and Nebraska, this work traces the sometimes shadowy history of college football. It's a story of intrigue, lying, timing, friendships made and broken, along with costly arousing outbursts, all based on extensive and detailed research. David Young is a practicing physician in Holland, Michigan. He grew up in East Lansing. While attending Notre Dame in the mid-1970s, his next-door neighbor Jack Breslin shared a story with him about the special relationship between Michigan State and the University of Notre Dame. The 1946 Spartan graduate and executive vice president of MSU noted that the Irish

administration had played a prominent role in Michigan State College's evolution into a major land grant research institution. It all had to do with aiding a Spartan application for membership in the Western Conference during the late 1940s. Mr. Breslin also offered comment on the University of Michigan's role in that transition. Unfortunately, while walking back to the Yardboy to finish mowing his lawn, those words were muffled by the idling engine. And if Michigan had its way, three decades later Dr. Young decided to investigate what his alma mater did to assist Michigan State's grand vision as crafted by a far-sighted president. He also wanted to find out what Breslin intended to say about the Wolverine's involvement in the application process. What he discovered, hidden within the stacks of 13 university archives, has now dispelled a popular myth. In its place, the amateur historian reveals the true story, an extensively cited account of John Hannah's quest for membership in the Big Nine and Michigan Law Professor Ralph Aigler's obsession with impeding that relentless pursuit. Intertwined in the complex tale are the fascinating roles played by two commissioners, as well as various leaders at Minnesota, Ohio State, Wisconsin, Illinois, Iowa, Northwestern, Purdue, Pittsburgh, and the University of Chicago. Though this account focuses on a unique intrastate rivalry, the book remains a must-read for anyone interested in the evolution of the modern game of college football. And for alumni fans of the many schools involved with either aiding or hindering Hannah's quest, the story will explore what now appears to be a very controversial decision in May of 1949 to accept Michigan State College into the Western Conference.
