

Square

By Maya Anthony

In nature and design, it stands with grace,
A shape of perfection, in every space.
With four equal sides, and corners so neat,
The perfect square, where symmetry's complete.

In gardens and windows, it finds its place,
A symbol of balance, in art's embrace.
With harmony and order, it can't be beat,
The perfect square, where forms entreat.

In mathematics and art, it's hailed with pride,
A shape of precision, where rules coincide.
With every corner and line so sweet,
The perfect square, in forms we meet.

Delany,2015-10-06 The renowned novelist and critic's private journals spanning from his years as a high school student in the Bronx to early adult life in San Francisco For fifty years Samuel Delany has cultivated a special relationship with language in works of fiction criticism and memoir that have garnered critical praise and legions of fans The present volume the first in a series reveals a new dimension of his genius In Search of Silence presents over a decade's worth of Delany's

private journals commencing in 1957 when he was still a student at the Bronx High School of Science and ending in 1969 when he was living in San Francisco and on the verge of reconceiving the novel that would become *Dhalgren*. In these pages Delany muses on the writing of the stories that will establish him as a science fiction wunderkind, the early years of his marriage to the poet Marilyn Hacker, performances as a singer-songwriter during the heyday of the American folk revival, travels in Europe, experiences in a New York City commune, and much more, and crosses paths with artists working in many genres, including poets such as Robert Frost, W. H. Auden, and Marie Perle, and science fiction writers such as Arthur C. Clarke, Michael Moorcock, Roger Zelazny, and Joanna Russ. Delany scholar Kenneth R. James presents the journal entries alongside generous samplings of story outlines, poetry fragments, of novels, and essays that have never seen publication, and more. James also provides biographical synopses and an extensive set of endnotes to supply contextual information and connect journal material to Delany's published work. This is a tremendously significant and vital addition to the oeuvre of Samuel Delany; it clarifies questions not only of the writer's process but also his development. To see in his juvenilia traces that take full form in his novels is literally breathtaking. Matthew Cheney, author of *Blood Stories: Traversing Delany's Youth*, we see a precocious mind grappling with his own talent; he lives on two registers, participating in the world and also observing it, living simultaneously as a kid in NYC and a writer of genius. Robert Minto, *New Republic*, Mesmerizing: a true portrait of an artist as a young Black man, already visible in these pages are the wit, sensitivity, penetration, playfulness, and the incandescent intelligence that will characterize Delany and his extraordinary work. Junot Diaz, author of *The Brief Wondrous Life of Oscar Wao*. **T.S. Eliot's Bleistein Poems** Patricia Sloane, 2000-08-02 Patricia Sloane's study is a detailed reassessment of two of the poet's most provocative works that examine Eliot's allusions and larger purpose. In this close reading of the two poems in which Bleistein appears, Sloane shows that Burbank is an intricate derivation of Dante's *Inferno*. The book also includes a general introduction to Eliot's use of literary sources and to the introduction of the five poems. **Monsieur Bossu's treatise of the epick poem: Preface of the translator. A discourse of ... to Monsieur the abbot knight of Morsan. A memoire concerning the Reverend Father Bossu, sent to M..... by the Reverend Father Courayer (p. xxi-xxxvi) Monsieur Bossu's Treatise of the epick poem (book I-II)** René Le Bossu, 1912
