

KEY:

Tumble outta bed and I stumble to the kitchen
Pour myself a cup of ambition
And yawn and stretch and try to come to live
Jump in the shower and the blood starts pumpin'
Out on the street the traffic starts jumpin'
With folks like me on the job from 9 to 5

"Workin' 9 to 5, what a way to make a livin'
Barely gettin' by, it's all takin' and no givin'
They just use your mind and they never give you credit
It's enough to drive you crazy if you let it

9 to 5, for service and devotion
You would think that I would deserve a fat promotion
Want to move ahead but the boss won't seem to let me
I swear sometimes that man is out to get me!

They let you dream just to watch 'em shatter
You're just a step on the boss-man's ladder
But you got dreams he'll never take away
You're in the same boat with a lotta your friends
Waitin' for the day your ship'll come in
An' the tide's gonna turn and it's all gonna roll your way

*

9 to 5, yeah they got you where they want you
There's a better life, and you dream about it, don't you?
It's a rich man's game no matter what they call it
And you spend your life puttin' money in his wallet

*

9 to 5, yeah they got you where they want you
There's a better life, and you dream about it, don't you?
It's a rich man's game no matter what they call it
And you spend your life puttin' money in his wallet

Nine To Five:

Nine to Five Joanna L. Grossman,2016-05-03 Nine to Five provides a lively and accessible introduction to the laws and policies regulating sex sexuality and gender identity in the American workplace Contemporary cases and events reveal the breadth and persistence of sexism and gender stereotyping Through a series of essays organized around sex discrimination sexual harassment pregnancy discrimination and pay equity the book highlights legal rules and doctrines that privilege men over women and masculinity over femininity In understanding the law what it forbids what it allows and to what it turns a blind eye we see why it is far too soon to declare the triumph of working women s equality Despite significant gains for women gender continues to define the work experience in both predictable and surprising ways A witty and engaging guide to the legal terrain Nine to Five also proposes solutions to the many obstacles that remain on the path to equality
