## **Nineteenth Century Bath Architects And Architecture:**

**Nineteenth Century Bath** Neil Jackson,1998-12-01     **Nineteenth Century Bath** Neil Jackson,1991     Sir John Soane? Influence on Architecture from 1791 Oliver Bradbury,2017-07-05 Sir John Soane s Influence on Architecture from 1791 A Continuing Legacy is the first in depth study of this eighteenth century British architect s impact on the work of others extending globally and still indeed the case over 200 years later Author Oliver Bradbury presents a compelling argument that the influence of Soane 1753 1837 has persevered through the centuries rather than waning around the time of his death Through examinations of internationally renowned architects from Benjamin Henry Latrobe to Philip Johnson as well as a number of not so well known Soanean disciples Bradbury posits that Soane is perhaps second only to Palladio in terms of the longevity of his influence on architecture through the course of more than two centuries from the early 1790s to today concluding with the recent return to pure revivalism Previous investigations have been limited to focusing on Soane s late Georgian and then post modern influence this is the first in depth study of his impact over the course of two centuries Through this survey Bradbury demonstrates that Soane s influence has been truly international in the pre modern era reaching throughout the British Isles and beyond to North America and even colonial Australia Through his inclusion of select detailed case studies Bradbury contends that Soane s is a continuing not negated legacy in architecture

**Architects, Angels, Activists and the City of Bath, 1765-1965** Cynthia Imogen Hammond,2012 Approaching the past as both historian and artist Cynthia Imogen Hammond documents how women across classes shaped the built environment of one of England s most architecturally significant cities Architects Angels Activists and the City of Bath 1765 1965 Engaging with Women s Spatial Interventions in Buildings and Landscape documents Hammond s own creative spatial interventions in the city through which she brings the history of women to the foreground of Bath s urban image     "*Architects, Angels, Activists and the City of Bath, 1765?965* " Cynthia Imogen Hammond,2017-07-05 A unique contribution to the architectural and social history of Bath Architects Angels Activists and the City of Bath 1765 1965 Engaging with Women s Spatial Interventions in Buildings and Landscape approaches the past with the methods of the architectural historian and the site specific interventions of the contemporary artist Looking beyond and behind Bath s strategic marshalling of its past Cynthia Imogen Hammond presents the ways in which women across classes shaped the built environment and designed landscapes of one of England s most architecturally significant cities This study argues that Bath s efforts to preserve itself as an idealized Georgian town reveal an aesthetics of exclusion Jane Austen may be well known but the role of historic women in the creation of this city has had minimal treatment within the city s collective public memory This book is an intervention into this memory the author uses site specific works of public art as strategic counterparts to her historical readings Through them she aims to transform as well as critique the urban image of Bath At once a performative literature an extensively researched history and an alternative guide to the city Architects Angels Activists engages with current struggles over urban
