Renewing Class Analysis:

Renewing Class Analysis Rosemary Crompton, 2000 This collection advances contemporary debates in class analysis by offering a range of new empirical research on emergent forms of social stratification and by re thinking the intersection between economic change social polarization and the remaking of class relations It is edited by leading sociologists of class and brings together outstanding British and international writers *Class Analysis and Social Transformation* Michael Savage, 2000 Particular attention is paid to arguments developed by Beck and Giddens concerning individualization and he shows how the redrawing of individual relations is tied in to the remaking of social classes in complex and largely unrecognized ways This book brings together recent empirical research on class and should be of interest to students of social science wishing to learn about the debates on class analysis BOOK JACKET *Working-Class Lesbian Life* Yvette Taylor, 2007-07-13 This is an original study of women self identified as working class and lesbian showing the significance of class and sexuality in their biographies everyday lives and identities It provides insight a critique of queer theory and an empirical interrogation of the embodied spatial and material intersection of class and sexuality *The Palgrave Handbook of Sociology in Britain* J. Holmwood, J. Scott, 2014-07-18 Leading sociologists outline the historical development of the discipline in Britain and document its continuing influence in this essential and comprehensive reference work Spanning the Scottish enlightenment of the 18th century to the present day this Handbook maps the discipline and the British contribution

Contemporary Issues in the Worldwide Anglican Communion Abby Day, 2017-05-15 Contemporary Issues in the Worldwide Anglican Communion offers unique perspectives on an organisation undergoing significant and rapid change with important religious and wider sociological consequences The book explores what the academic research community Anglican clergy and laypeople are suggesting are critical issues facing the Anglican communion as power and authority relations shift including gender roles changing families challenges of an aging population demands and opportunities generated by young people mobility and mutations of worship communities contested conformities to policies surrounding sexual orientation impact of social class and income differences variable patterns of congregational growth and decline and global power and growth shifts from north to south *Class, Individualization and Late Modernity* Will Atkinson, 2010-10-13 This book puts to the test the prominent claim that social class has declined in importance in an era of affluence choice and the waning of tradition Arguing against this view this study vividly uncovers the multiple ways in which class stubbornly persists *Social Stratification in Central Mexico, 1500-2000* Hugo G. Nutini, Barry L. Isaac, 2010-01-01 In Aztec and colonial Central Mexico every individual was destined for lifelong placement in a legally defined social stratum or estate Social mobility became possible after independence from Spain in 1821 and increased after the 1910 1920 Revolution By 2000 the landed aristocracy that was for long Mexico's ruling class had been replaced by a plutocracy whose wealth derives from manufacturing commerce and finance but rapid growth of the urban lower classes reveals the failure of the Mexican

Revolution and subsequent agrarian reform to produce a middle class majority These evolutionary changes in Mexico's class system form the subject of *Social Stratification in Central Mexico 1500-2000* the first long term comprehensive overview of social stratification from the eve of the Spanish Conquest to the end of the twentieth century The book is divided into two parts Part One concerns the period from the Spanish Conquest of 1521 to the Revolution of 1910 The authors depict the main features of the estate system that existed both before and after the Spanish Conquest the nature of stratification on the haciendas that dominated the countryside for roughly four centuries and the importance of race and ethnicity in both the estate system and the class structures that accompanied and followed it Part Two portrays the class structure of the post revolutionary period 1920 onward emphasizing the demise of the landed aristocracy the formation of new upper and middle classes the explosive growth of the urban lower classes and the final phase of the Indian mestizo transition in the countryside
