## **Research In Technical Communication:**

*A Research Primer for Technical Communication* George F Hayhoe, Michael A. Hughes, George F. Hayhoe, 2009-03-04 This practical volume provides a thorough introduction to conducting and critically reading research in technical communication complete with exemplars of research articles for study Offering a solid grounding in the research underpinnings of the technical communication field this resource has been developed for use in master s level and upper division undergraduate research methods courses in technical and professional communication [Research in Technical Communication](#) Laura J. Gurak, Mary M. Lay, 2002-12-30 The purpose of this cutting edge collection of essays is threefold first it presents the principles of data collection and interpretation or the methodological distinctions of a particular method appropriate to technical communication research Second it discusses the foundational principles of the methodologies given the primary discipline in which they were created and applied Finally it reflects upon the process of importing and employing these methodologies into the research field of technical communication and on how technical communication research has contributed to the development and application of these methodologies Written by many noted scholars in the field and presenting a wide range of research methods *Research in Technical Communication* combines theory and practice Both technical communicators and industry researchers who want to learn more about workplace research and methodologies will find it invaluable as will beginning and advanced scholars who will find much that is useful in its variety of subjects

*Qualitative Research in Technical Communication* James Conklin, George F. Hayhoe, 2010-10-27 Addressing the explosive growth in qualitative research in recent years this volume represents the first anthology to bring together a representative sample from this growing body of work and comments on the reasons for the extraordinary interest in qualitative research Contributors to the volume bring forward reports of significant structured qualitative research into various aspects of technical communication practice addressing the questions of what new insights researchers are generating about the working reality of today s technical communicators and how technical communicators are perceived and treated by managers and by colleagues from other disciplines Including examples of qualitative methodologies including ethnography case study focus groups action research grounded theory and interview research used by technical communicators to strengthen their practice the result is a rich harmony of perspectives as diverse as the field of technical communication itself This book will be of interest to to students and academics seeking up to date information on current industry practices in technical communication as well as to practitioners in technical and professional communication The book will also serve as a text in undergraduate seminars and courses at the master s level *Research in Technical Communication* Michael G. Moran, Debra Journet, 1985 This sourcebook demonstrates the vigorous work being done in the field of technical and scientific communication Collectively the essays offer researchers a basis from which to begin constructing the theoretical framework necessary for the study of technical communication The book begins with general concerns and progresses to

particular applications The chapters comprising Part I outline larger theoretical perspectives from which to examine technical communication humanistic approaches to technical communication the history of technical communication communication theory and technical writing and the teaching of technical writing Part II examines the relationship of technical communication to traditional rhetorical concerns such as invention audience modes of organization and style Specific types of technical communication proposals reports and business correspondence among others are discussed in Part III The use of the computer oral presentations and specialized forms of technical communication are examined in Part IV The appendixes offer guides to textbooks and style manuals and an overview of the technical writing profession

**Research in Technical Communication** Hughes/Hayhoe, **The State of Research in Technical Communication**, 2009 *Research in Technical Communication* Michael A. Hughes, 2007 Research in Technical Communication Society for Technical Communication, 1985 Research in Technical Communication Dale-Marie Wilson, Aqueasha M. Martin, 2016-04
