

NIGHT ERRANDS

Night Errands

David Baud

Night Errands:

Night Errands J. D. Scott, 2012-05-01 poetry chapbook *Night Errands* Rod Townley, 1998 *Night Errands* is a long overdue anthology comprising personal essays and accompanying poems by over two dozen contemporary American poets. It is the first collection to focus specifically on the messages the subconscious sends nightly to poets and the ways such communications affect their work. The book is based on the premise that dreams and poetry are intimately related and in fact parallel languages. Both rely on compression, juxtaposition, deep imagery, and ambiguity to create a charged atmosphere and unearth buried truths.

The Lyceumite and Talent, 1908 **Slices of My Life: So Far**, Encyclopedia of Sleep and Dreams Deirdre Barrett, Patrick McNamara Ph.D., 2012-06-12. This fascinating reference covers the major topics concerning dreaming and sleep based on the latest empirical evidence from sleep research as well as drawn from a broad range of dream-related interdisciplinary contexts including history and anthropology. While many books have been written on the subject of sleep and dreams, no other resource has provided the depth of empirical evidence concerning sleep and dream phenomena nor revealed the latest scientific breakthroughs in the field. Encyclopedia of Sleep and Dreams: The Evolution, Function, Nature, and Mysteries of Slumber explores the evolution, nature, and functions of sleep and dreams. The encyclopedia is divided into two volumes and is arranged alphabetically by entry. Topics include nightmares and their treatment, how sleep and dreams change across the lifetime, and the new field of evolution of sleep and dream. While this book includes ample material on the science of sleep and dreams, content is drawn from a broad range of disciplinary contexts including history and anthropology.

My Good Women: Lessons of Love and Faith Julie A. McMurtry, 2015-10-13. Sometimes on the journey of life it is easy to think that we are the first to walk this path or that we are alone in our struggles. This book calls us to reflect on the lives that have touched our own. Thinking about the women God has placed in your life, who are they? And what have they taught you? The hope is that when you read these stories, you will find yourself reflecting on the women who have loved you, protected you, and formed you. Like the women in the Bible, they may have made cakes when their pantries were empty, visited when you were expecting your children, wiped your tears when the sorrow was too much, or made you laugh like no one else can. May these stories make you laugh and cry and reach out to the women whose lives are squares in the quilt of your life. May these stories fill your hearts with gratitude for the women you see every day and for the God who made us all. These are the stories of faith, hope, and love.
