Nine Glorious Months:

Broken Trails D Jordan Redhawk, 2013-07-01 Scotch Fuller has already run the Iditarod three times and is preparing for a fourth attempt Her single minded focus on the rigors of training allows her to forget the shocking loss of her lover in a tragedy for which she blames herself The only race Lainey Hughes runs is away from her past and into the bottom of a bottle After a devastating injury in a war zone she s continued her photojournalist career in the natural beauty and warmth of Uganda A trip to Alaska to cover dog sledding is not what she wants but the lure of a paying gig proves too tempting Lainey trusts her camera and Scotch trusts her dogs and neither cares much what the other thinks not at first Love runs hot in the cold Alaskan night in this long awaited romance from D Jordan Redhawk *Dui—Destiny Under the Influence* Jeremiah C. Merritt, 2013-02-28 DUI is a must read for all of those who desire to be equipped to have victory in the war of deception that the Devil has waged against the saints One of the grave mistakes that the modern church has made is that of minimizing the Enemy He is a formidable opponent that we within ourselves have no chance of defeating The reason why many saints are being defeated by the Enemy is because the body of Christ is having such a difficult time recognizing the Devil The Bible says that he would deceive not just the world but even the very elect if it were at all possible DUI exposes how the Enemy uses worship to get believers intoxicated with the world This book systematically breaks down the difference between worship in the Spirit which cleanses us and Babylonian worship which entertains us It dissects the biblical foundations of worship and how the Enemy is attempting to change those foundations You may have wondered how you could be a part of worship experiences that deeply affected you emotionally although many of the other participants left these experiences yet dominated by their flesh spiritually blind and carnally minded This book has the answers It is a must read for all of those desiring to worship God in Spirit and truth and be found faithful when he returns *Pickett's Charge* Phillip Thomas Tucker, 2016-08-16 Main Selection of the History Book Club The Battle of Gettysburg the Civil War s turning point produced over 57 000 casualties the largest number from the entire war that was itself America s bloodiest conflict On the third day of fierce fighting Robert E Lee s attempt to invade the North came to a head in Pickett s Charge The infantry assault consisting of nine brigades of soldiers in a line that stretched for over a mile resulted in casualties of over 50 percent for the Confederates and a huge psychological blow to Southern morale Pickett s Charge is a detailed analysis of one of the most iconic and defining events in American history This book presents a much needed fresh look including the unvarnished truths and ugly realities about the unforgettable story With the luxury of hindsight historians have long denounced the folly of Lee s attack but this work reveals the tactical brilliance of a master plan that went awry Special emphasis is placed on the common soldiers on both sides especially the non Virginia attackers outside of Pickett s Virginia Division These fighters moments of cowardice failure and triumph are explored using their own words from primary and unpublished sources Without romance and glorification the complexities and contradictions of the dramatic story of Pickett s Charge have been revealed in full to

reveal this most pivotal moment in the nation's life Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

[The Dogs of Avalon](#) Laura Schenone, 2017-08-22 Named a Best Book of the Year by The Bark magazine After adopting an Irish sight hound Laura Schenone discovers a remarkable and little known fight to gain justice for dogs and for all animals Greyhounds bred to be the fastest racing dogs on earth are streaks of lightning Beautiful astonishing creatures countless numbers of them disappear each year once they can no longer compete and win The Dogs of Avalon introduces us to the strong willed Marion Fitzgibbon born in rural Ireland where animals are valued only for their utility But Fitzgibbon believes that suffering is felt by all creatures and she champions the cause of strays baffling those around her including her family as she and a group of local women rescue any animal in need and taking on increasingly risky missions When Fitzgibbon becomes head of the Irish Society for the Prevention of Cruelty to Animals and focuses on the cause of the greyhound she faces an entrenched racing industry protected by money and power She joins forces with an American greyhound activist a foxhunter's wife a British lady and an influential German animal rescuer to create an international network to find these animals homes confront the racing industry and provide safe havens where animals can live in peace The Dogs of Avalon brings forward the people on the other side of the tracks Irish Travellers a people whose Celtic history goes back centuries dogmen who hope to win big together with a host of animals on two continents circus tigers in Ireland wild monkeys in the Yucatan dolphins in a marine animal park in Florida and one very special Irish sight hound in New Jersey named Lily In this potent David and Goliath story Schenone's journey helps us understand our deep connection to animals and gives us inspiration in the form of the unforgettable Fitzgibbon who grapples with compassion and activism and shows the difference we are all capable of making in the world

My Life is a Rock and Roll Song ... ready to be sung! Ray Mack, 2023-07-09 Born to a Slovenian Mom and an Irish Dad I grew up in a small Ohio town in the 40 s and 50 s with many memories of my family struggling during and after World War II Studies came easy for me graduating with honors in College Preparatory Classes in 1959 I spent the last years in high school having overcome a Meatball weight problem and hanging out with buddies that were cool Although I was accepted and had a college scholarship waiting for me there was this stronger urge to accompany my buddies and join the Marines promising my parents college would come later While serving 4 years in the Marine Corps Univac Computers I followed one of my cool buddies to a local Albany GA radio station in search of a part time job and fell in love with the thought of being a DJ with hundreds of girls admiring me and my now Mr Bronze America muscular body I did make it with an on air gig but only got there because of my Sales Marketing

skills With a few delays my parents were elated when I graduated from Kent State University with a Bachelor s Degree in Telecommunications and a Master s Degree in Broadcast Management The road to success has taken me on a lot of twists and turns some right turns while making my share of boo boos along the way There has been more than 50 years invested in writing this book some parts based on life others based on my vivid imagination During and following a career in radio and helping to build up and sell radio stations there was success as a motivational speaker across the country while promoting other famous speakers including Zig Ziglar Og Mandino and Norman Vincent Peale Several money making projects were always active while living life to the fullest including looking for the next lady to share it with and the next opportunity to do something exciting Enjoy
