My Week:

My Week at the Blue Angel Matthew O'Brien, 2011-03 A savage journey into the heart of Hunter S Thompson's Las Vegas with the Good Doctor as tour guide A Lord of the Rings like adventure in the city's underground flood channels A seven day stay at a seedy motel on East Fremont Street The stories in *My Week at the Blue Angel* aren't about Steve Wynn Cirque du Soleil or how to play poker and they aren't set in Caesars Palace XS Nightclub or a 2 000 seat showroom They're about prostitutes ex cons and the homeless and they're set under Caesars Palace and in trailer parks and weekly motels In this creative nonfiction collection Matthew O'Brien author of *Beneath the Neon* and *Death in the Tunnels of Las Vegas* and veteran photographer Bill Hughes show a side of the city rarely seen A side beyond the neon lights themed facades and motel room doors A side beyond the barbwire fences No Trespassing signs and midnight shadows *The Naturals* Collection Jennifer Lynn Barnes, 2021-04-20 Don't miss a page of the thrilling *Naturals* series by New York Times bestselling author Jennifer Lynn Barnes this collection of four books includes a bonus e novella In *The Naturals* seventeen year old Cassie is a natural at reading people Piecing together the tiniest details she can tell you who you are and what you want But it's not a skill that she's ever taken seriously That is until the FBI come knocking they've begun a classified program that uses exceptional teenagers to crack infamous cold cases and they need Cassie But what Cassie doesn't realize is that there's more at risk than a few unsolved homicides especially when she's sent to live with a group of teens whose gifts are as unusual as her own Soon it becomes clear that no one in the *Naturals* program is what they seem And when a new killer strikes danger looms close Caught in a lethal game of cat and mouse with a killer the *Naturals* are going to have to use all of their gifts just to survive In *Killer Instinct* Cassie hopes she and the rest of her team can stick to solving cold cases from a distance after barely escaping a confrontation with an unbalanced killer obsessed with her mother's murder But when victims of a brutal new serial killer start turning up the *Naturals* are pulled into an active case that strikes too close to home the killer is a perfect copycat of Dean's incarcerated father a man he'd do anything to forget Forced deeper into a murderer's psyche than ever before will the *Naturals* be able to outsmart the enigmatic killer's brutal mind games before this copycat twists them into his web for good In *All In* Cassie and the *Naturals* are called in to investigate a string of brutal murders in Las Vegas But even with the team's unique profiling talents these murders seem baffling unlike many serial killers this one uses different methods every time All of the victims were killed in public yet the killer does not show up on any security feed And each victim has a string of numbers tattooed on their wrist Hidden in the numbers is a code and the closer the *Naturals* come to unraveling the mystery the more perilous the case becomes In *Bad Blood* Cassie is reeling with the truth about her mother's murder Everything Cassie thought she knew about what happened that night her mother was killed been called into question Her mother is alive and the people holding her captive are more powerful and dangerous than anything the *Naturals* have faced so far As Cassie and the team work to uncover the secrets of a group that has been killing in secret for

generations they find themselves racing a ticking clock And when the bodies begin piling up it soon becomes apparent that this time the Naturals aren't just hunting serial killers They're being hunted In the novella Twelve Cassie is now twenty three years old and she and her fellow Naturals have taken over running the program that taught them everything they know As a unit they're responsible for identifying new Naturals and solving particularly impossible cases When their latest case brings back a ghost from their past Cassie and the other Naturals find themselves racing against the clock and reliving their own childhood traumas In a small coastal town in Maine there has been a rash of teen suicides or at least that's what the police believe Enter the Naturals
