What Does Jesus Ask Us to Do Helen M. Moss, 2013-02-28 Each year before the Lenten season begins I reflect on what I will sacrifice in spiritual preparation for Easter and the celebration of our Lord's resurrection In 2011 I decided to take a different path Instead of giving something up I would gain something of substance I would embark on an examination of the Parables of Jesus What better way to strengthen my spiritual relationship with Jesus than to read and study the Words of our Lord Ironically as I was mentally preparing to embark on this incorporeal journey my father called to chat During this conversation in the way only a loving father can he began to chastise me about using the gifts God had blessed me with in a positive way My father reminded me that I was a gifted writer his choice of words and a talented visual artist He encouraged me to revisit these activities and get busy doing something worthwhile with these gifts **WHAT DOES JESUS ASK US TO DO** The Parables of Jesus as a Guide to Daily Living is the resulting convergence of my father's exhortative conversation and my personal Lenten covenant I decided that I would share this reflective commentary with others by chronicling my interpretation of the parables and related Scripture passages What better way to consummate the end of my spiritual Lenten sojourn than to share this process with others in a published document With a renewed commitment and focused plan of action I began to think about the format that would be appropriate for this treatise Because I was planning to treat my study of the parables of Jesus as a daily devotional guide this seemed to be the best way to approach the creation of the book The result is a recap of each parable a summary of the meaning Jesus imparted to His audience and a call to action and or personal consideration Each study concludes with a brief prayer As the Lenten season was drawing to a close and my study of the parables was almost complete I began to think of artwork for the cover of what would become **WHAT DOES JESUS ASK US TO DO** There were so many beautiful Biblical images that would be suitable As I leafed through books with exquisitely inspiring images I thought back to the conversation with my father It was then I decided to create the cover art myself The result is **The Parables Stained Glass Windows** a triptych of three collages depicting an iconic ecclesiastical symbol As Easter Sunday drew near I reflected on this spiritual journey through the Parables of Jesus I considered all I had learned about what Jesus wants from me what I had learned about my own spirituality and faith But more importantly I felt a profound sense of accomplishment and a deep sense of gratitude for my father's love and encouragement Helen M Moss April 24 2011 *Jesus's Truth* Yung Suk Kim, 2018-01-10 Parables of Jesus are stories about everyday life ranging from a person's worldview to economic justice in society This book examines most parables of Jesus from a critical literary perspective Twenty three narrative parables in the Synoptic Gospels are rearranged by their source Markan parables Q parables Matthean unique parables Lukan unique parables Each parable invites readers to reengage Jesus's stories in the contemporary world [In Parables](#) John Dominic Crossan, 1992 John Dominic Crossan boldly attempts to understand the parables from inside their own world *In Parables* sets the reading and study of the parables in an entirely new context

Many Things in Parables Charles W. Hedrick, 2004-01-01 In this splendid introduction to the elusive rhetorical device central to the New Testament picture of Jesus Charles Hedrick explores the nature of the parable and its history of use He asks basic questions such as what is a parable is Jesus really the author of the parables and what does a parable mean and then reviews a range of sources from Aesop's fables to modern New Testament scholarship to answer them He also surveys the various ways the parables have been approached in literary criticism throughout history giving specific examples of each method and delineating their strengths and weaknesses
