## **Mystical Evolution:**

*The Mystical Evolution In the Development and Vitality of the Church* Rev. Fr. John G. Arintero, O.P., 1978 An easily understood though exhaustive study of the spiritual life that is full of learning and that quotes copiously from the Bible Saints Fathers and Doctors of the Church and classic spiritual writers Embued with holiness the author makes his work come alive with its simplicity and understanding A veritable encyclopedia of what the Saints and other mystical souls have told us Remarkably easy to read and to understand The Mystical Evolution Rev John G Arintero Op, 2016-10-15 Father Arintero attained great renown in his native Spain for his profound learning and his personal sanctity Because of his success as the champion of the true traditional doctrine in mystical theology he is acclaimed the precursor of the current movement toward the realization of mystical ideals To forestall any criticism of Father Arintero s style and method of procedure let it be remembered that he looked upon the sublime truths of the supernatural life as one would gaze upon a precious stone turning it this way and that to catch its full brilliance and luster There may be some persons who will question the wisdom of including excerpts from the writings of modern mystics that as yet are unknown to most readers Many of these souls were under the guidance of Father Arintero and he saw in their experiences the perpetual vitality of the mystical power of the Church He uses them then to show that the heights of the mystical life are by no means a relic of the past but that there are souls even today who have scaled and are scaling the mount of perfection I here express my deep gratitude to the Very Reverend Father Provincial of the Province of Spain who gave permission for this English translation of *La Evoluci6n Mistica* to the Very Reverend Father Peter O Brien O P Provincial of the Province of St Albert the Great for his kindly interest and unfailing encouragement to Father Vitalis Fueyo O P of Avila Spain for his careful reading and checking of the entire translation and to the Very Reverend Father Sabino Lozano O P of Salamanca Spain for his helpful advice Finally acknowledgment and gratitude must be voiced to the following publishers and individuals for permission to quote from their works Mr Allison Peers London and Sheed and Ward New York and London for quotations from the Complete Works of Saint Teresa Bcnziger Brothers New York and Burns Oates and Washbourne London the English version of the Summa theologica and the Summa contra Gentiles Newman Bookshop Westminster Maryland Lallemand s Spiritual Doctrine Mr Allison Peers Burns Oates and Washbourne Newman Bookshop Complete Works of St John of the Cross Mr Louis Bernicken Mt Vernon Ohio the Ven Mary Agreda s *The City of God* Rev Father Anselm Townsend O P Oak Park Illinois translator of Gardeil s *The Gifts of the Holy Ghost in the Dominican Saints* Routledge and Kegan Paul London Poulain s *The Graces of Interior Prayer* B Herder Book Co St Louis Missouri Tixeront s *History of Dogmas and Caussade s Abandonment to Divine Providence* The quotations from Froget s *The Indwelling of the Holy Spirit* are reprinted with permission of the copyright owners the Missionary Society of St Paul the Apostle in the State of New York May this book serve as an impetus to those who are still timid about venturing into the realms of the supernatural life May it clarify the problems and difficulties which beset those

Cooper,2014 Naturally Human Supernaturally God focuses upon a theological subject matter whose provenance not only spans both periods of the twentieth century but the whole history of Christianity It seeks to open a small window upon an odd case of theological convergence between three of the most diverse yet important theologians of the pre Conciliar period each of whom played a vital role in the Second Vatican Council Reginald Garrigou Lagrange O P Karl Rahner S J and Henri de Lubac S J It is widely acknowledged that the differences between these three figures and the traditions subsequently associated with them sometimes run so deep as to defy resolution Yet this book will argue they were strangely united in a shared conviction today s Church urgently needs to renew its acquaintance with an ancient Christian theme namely the doctrine of deification Only in a self transcending supernaturally wrought participation in the life of God do human beings reach their proper fulfillment These three theologians are significant figures in the modern recovery of the doctrine of deification receiving its official adumbration in the Christocentric and Trinitarian anthropological vision outlined in Vatican II s Pastoral Constitution Gaudium et Spes This book tells the story of that recovery and the contribution these rather different theologians played adding an oft neglected stream to the contemporary discussion of this important topic
