Dialecticglyphics Clive Alando Taylor, 2020-05-13 *Dialecticglyphics* Magic An Ornamental Ode and Symbolic Characterisation of influences conveyed through the verbally moving mysterious forces of the Supernatural whereby the Songs and the Poetry of the Sceptre shall not depart from Judah nor a Lawgiver from between his Feet Until Shiloh comes and Speaks a Word in my Lord's Ears for thou Art even as Pharaoh and there stood no Man with Him while Joseph made himself known unto his Brethren and he Wept aloud and the Egyptians and the House of Pharaoh heard

All the Way from Kingdom Come Philip W. McCarty, 2006-07 The Future is a perennial topic of interest especially as it relates to the possible demise of humanity and this world we live in Join us as we peer into what the Bible says about a time of unprecedented natural disasters and plagues of disease Examine the instant disappearance of millions of people and discover the final destination of humanity In this book there are no wild notions or government conspiracy theories just a basic honest look at the future as it is spelled out in the Bible Along the way we will find that knowledge of the future creates a responsibility in the present I have traditionally shied away from the subject of eschatology because it generally degenerates into endless arguments about things that can never be fully known Phil's work affords a different and refreshing perspective He offers a reasonable interpretation of end time material with a unique orientation toward present day application I believe you will find his work equally readable helpful and inspiring

Pieter K Van Waarde Pastor Woodcrest Chapel Philip McCarty does a great job of taking a Book that has been deemed controversial and not comprehensible by the masses and made it very understandable and practical for day to day living I highly recommend this book Dr Randy Dignan Pastor Bible Baptist Church
