

# Taking Risks of Faith

MATTHEW 14:22-33

## THE 26

**HAVE YOU EVER TAKEN A RISK** in your obedience to God? Perhaps He's given you an assignment that strikes you as beyond your abilities. Demonstrating faith in God may appear to be risky business, but it's actually the safest thing to do. Furthermore, it's the way the Lord expects His followers to live.

Can you imagine what the other disciples thought when Peter stepped out of the boat? It seemed like a crazy thing to do, yet Peter trusted that Jesus would keep him from sinking into the raging water.

And Peter did a pretty good job of walking on the water until he took his eyes off Jesus. As long as his total focus was on Christ, he was fine. Yet when he allowed himself to be distracted by human fears, he fell deep into trouble—literally!

This demonstrates an important principle: When doubts prevent us from obeying God, we are doomed to failure. But when we step out in faith, God always assumes full responsibility for the consequences of our obedience.

The story of Peter's walk on the sea teaches us three things.

- *God will lead us into challenging situations that call us to walk by faith.*
- *Christ stands ready to rescue us when we cry out to Him.*
- *The Spirit of God will never let us fall beyond His reach.*

Are you facing a situation that requires full trust in the Lord as you step out in obedience to Him? The real risk lies in your temptation not to obey Him. Keep your eyes on the heavenly Father, and He'll see you safely to the other side.

## **Risks Of Faith:**

*Risks of Faith* James Cone, 2000-11-17 *Risks of Faith* offers for the first time the best of noted theologian James H Cone's essays including several new pieces. Representing the breadth of his life's work, this collection opens with the birth of black theology, explores its relationship to issues of violence, the developing world, and the theological touchstone embodied in African American spirituals. Also included here is Cone's seminal work on the theology of Martin Luther King Jr and the philosophy of Malcolm X and a compelling examination of their contribution to the roots of black theology. Far reaching and provocative, *Risks of Faith* is a must read for anyone interested in religion and its political and social impact on our time.

**Faith: Security and Risk** Richard W. Kropf, 2003-06-20 Is faith a search for security? Is faith the reason for taking risks? The answer to these questions will ultimately determine the quality of our faith, whether it will be a faith that flourishes and grows or a faith that is stunted and limited. Author Richard Kropf analyzes these faith choices with a unique approach. He combines the psychodynamics of Viktor Frankl, the faith analysis of Avery Dulles, and the faith stages researched by James Fowler to provide a provocative foundation for understanding our spiritual life. Kropf then takes us through each faith level and highlights the challenges and pitfalls along the way. He covers the broad range of topics from compulsive religious behavior, fundamentalism, and various enthusiasms to adolescent and mid-life crises of faith and the risks of trying to achieve sainthood. *Faith: Security and Risk* is ideal for pastors, spiritual directors, and professional counselors, and is particularly designed to complement spiritual workshops and retreats. Each chapter ends with a series of questions that provide excellent stimulus for small group discussion as well as personal reflection. This book has also proved most helpful for college professors as an excellent text for their students seeking to understand their own faith struggles. **Dynamics of Faith**

Paul Tillich, 2001-10-16 One of the greatest books ever written on the subject, *Dynamics of Faith* is a primer in the philosophy of religion. Paul Tillich, a leading theologian of the twentieth century, explores the idea of faith in all its dimensions while defining the concept in the process. This graceful and accessible volume contains a new introduction by Marion Pauck, Tillich's biographer. *Helps to faith and practice, from the writings of H.S. Holland, selected and arranged by J.H. Scott Holland, 1900 [Chickening IN: From Fear to Courageous Faith, 8 Pillars of Transformation](#) JJ Gutierrez, 2020-03-24 Like the flip of a switch, *Chickening IN* created an epiphany or God Moment. Where there was once hopelessness, fear, and doubt, now there is new-found hope, courage, and strength. We live in an unpredictable, uncontrollable world where things change often, and fear can plant itself deeply within our hearts. *Chickening IN* is a practical approach to defeating the fear and doubt that is preventing us from becoming brave, bold women of God. Do you long to overcome the fear and doubt that is sabotaging the life God has for you? Are you ready to grow in courage and put feet to your faith? You've come to the right place. I'd like to invite you to join me on a transformation journey to stop chickening out and start *Chickening IN*. By accepting my invitation, you will embark into the land of transformation. A place where fear-filled lives can be reconstructed into

courageous faith filled lives Chickening IN will require hard work and honest assessment but I will lead you step by step through the eight pillars of Chickening IN that have changed my life and that can change your life too *True to the Faith* David Gooding, The Acts of the Apostles is about more than the spread of the gospel to the ends of the earth By the time the ascended Christ had sent the Holy Spirit to guide his disciples they had no doubt what the basics of the gospel message were that Christ died for our sins was buried and rose again the third day and would one day come again But according to Luke s account difficult questions and challenges arose for the apostles as they began to spread this message These questions when once settled by the apostles would further define the gospel with answers that are definitive for us today By carefully tracing Luke s presentation of the historical material David Gooding shows us that Luke has arranged his historical material into six sections each containing a set of issues and a dominant question that confronted the church Was the gospel to be under the authority of the Jewish Sanhedrin even when they called into question the deity and messiahship of Jesus Would the temple and its entire system of worship become obsolete because of Christ s sacrifice at Calvary as Stephen claimed What would God do when the observance of his own food laws became a barrier to preaching the gospel to Gentiles such as Cornelius How would the apostles decide about the rite of circumcision and its relationship to salvation How would the gospel distinguish itself from the spiritism idolatry religions and philosophies of the pagan world and state positively its own answer to questions of the origin of the universe and life s ultimate goal And how would Paul defend the gospel at the highest levels of society against every kind of misrepresentation when he found himself under the power of Roman law and order The conclusions that the apostles and the early churches reached under the guidance of the Holy Spirit are profoundly relevant Their defence against each new challenge confirmed the truth of the gospel for every generation of Christ s disciples David Gooding s exposition echoes Acts powerful unspoken exhortation to examine ourselves honestly to see whether the Christianity that we represent and the gospel that we preach and defend are uncompromisingly the same as those established by the apostles of our Lord Jesus Christ **The Gift of Faith** ,2004 An ideal gift for graduation confirmation or similarly significant occasions this small book offers brief reflections on faith that are as meaningful and lasting as those most extraordinary events in life Judges Arthur Charles Hervey,1881 World at Risk Ulrich Beck,2009 This is a collection of key essays by Beck analyzing the structural dynamics of the modern world the global nature of risk and the future of global policies **A Modern Notion of Faith** Joachim Mary Bauer,1930 *When Life Hurts* Brian C.
