*Satan Burger* Carlton Mellick, III, 2001 Absurd philosophies dark surrealism and the end of the human race God hates you All of you He closed the gates of Heaven and wants you to rot on Earth forever Not only that he is repossessing your souls and feeding them to a large vagina like machine called the Walm an interdimensional doorway that brings His New Children into the world He loves these new children but He doesn't love you They are more interesting than you They are beautiful psychotic magical sex crazed and deadly They are turning your cities into apocalyptic chaos and there's nothing you can do about it Featuring a narrator who sees his body from a third person perspective a man whose flesh is dead but his body parts are alive and running amok an overweight messiah the personal life of the Grim Reaper lots of classy sex and violence and a motley group of squatter punks that team up with the devil to find their place in a world that doesn't want them anymore This generation's Vonnegut Vincent Sakowski *Satan Burger (20th Anniversary Edition)* Carlton Mellick, III, 2021-11-25

*Satan Burger* explores a new kind of apocalypse Not an apocalypse caused by disease or nuclear war but an apocalypse of boredom A plague of monotony has spread across the countryside sucking all passion and out of everyone over the age of twenty five leaving only the disenfranchised youth to fend for themselves in a world crumbling around them Featuring a narrator who sees his body from a third person perspective a man whose flesh is dead but his body are alive and amok an overweight messiah the personal life of the Grim Reaper a race of women who feed on male orgasms and a group of squatter punks that team up with the devil to find their place in a world that doesn't want them anymore **Satan Burger (15th Anniversary Edition)** Carlton Mellick III, 2016-07-01

When *Satan Burger* was first being passed around among teenage punks and fans of weird art and film there was nothing else like it A book of rebellious spirit that simplistically captured the postmodern malaise of a culture obsessed with consumerism It quickly gained an underground following was transcribed by fans and bootlegged online was translated into Russian and made its way around the world attracting the attention of readers bored with typical mainstream fare Combining a satirical wit and style on par with legendary humorists such as Kurt Vonnegut and Russell Edson with the crazy punk ethos of cult film directors such as Terry Gilliam David Lynch and Takashi Miike this was a book overflowing with so many new ideas and absurd philosophies that it not only launched the career of underground author Carlton Mellick III but inspired an entire literary movement For the fifteenth anniversary of the release of this Bizarro Fiction classic Eraserhead Press is thrilled to present this special hardcover edition featuring an introduction by splatterpunk legend John Skipp illustrations by Ryan Ward and a new preface by the author *Satan Burger* explores a new kind of apocalypse Not an apocalypse caused by disease or nuclear war but an apocalypse of boredom A plague of monotony has spread across the countryside sucking all passion and inspiration out of everyone over the age of twenty five leaving only the disenfranchised youth to fend for themselves in a world crumbling around them Featuring a narrator who sees his body from a third person perspective a man whose flesh is dead but his body parts are alive and running amok an overweight
