Managing Diversity through Non-Territorial Autonomy Tove H. Malloy, Alexander Osipov, Balázs Vizi, 2015-07-23 Non territorial autonomy NTA is a statecraft tool that is increasingly gaining importance in societies seeking to accommodate demands by ethno cultural groups for a voice in cultural affairs important to the protection and preservation of their identity such as language education and religion As states recognize the specific rights of identity minorities in multicultural and multi ethnic societies they are faced with a need to improve their diversity management regimes NTA offers policy makers a range of options for institutional design adaptable to specific circumstances and historical legacies It devolves degrees of power through legal frameworks and institutions in specific areas of ethno cultural life while maintaining social unity at the core level of society Throughout Europe and North America NTA exists and is implemented at a state regional and local level Much has been written about the concept of autonomy and its usage as a statecraft tool in states facing regional division but little literature addresses its non territorial institutional and public administration functions This edited volume seeks to fill this gap

Managing Diversity through Non Territorial Autonomy Assessing Advantages Deficiencies and Risks carves a space for contextual knowledge production on NTA in law as well as social and political sciences Contextual knowledge involves a description of institutions and their functionality as well as of the institutional and legal frames protecting these What are the institutions bodies and functions that ethno cultural groups can draw on when seeking to have a voice over their own affairs as well as over issues in society related to their identity production How are these entities incorporated and empowered to have a voice What degree of voice do they have and how are they designed to project this voice Thus contextual knowledge also involves critical assessment and risk analysis as well as penetrating insights as to the unintended consequences and hidden agendas that may inform NTA policies This volume is to provide both policy makers and ethno cultural groups with a

tool kit that promotes social cohesion while respecting diversity This is the first volume in a series of five which will examine the protection and representation of minorities through non territorial means **Managing Emotions in Journalism** Maja Šimunjak,2023-09-25 This textbook offers the first practical guide to managing emotions in everyday journalism work based on interviews with more than 30 British journalists It raises awareness of emotional situations and stressors journalists may face so practitioners are better able to recognise these and prepare for them and outlines practical emotion management strategies which they can apply to enhance their emotional intelligence and resilience and consequently feel and perform better in the workplace It includes vignettes written by journalists from the United Kingdom United States Australia and Croatia as well as practical scenario exercises that prompt readers to reflect on how they would feel and react in specific situations based on journalists everyday work Emotional Intelligence for Managing Results in a Diverse World Lee Gardenswartz,Jorge Cherbosque,Anita Rowe,2010-10-16 Harness the power of emotions so you can leverage differences build engaged teams and create healthier organizations Whether you work group stretches from here to Dubai or can easily meet in a conference room down the hall anger and frustration are easy to come by when others don t do things your way follow directions or respond the way you think they should But when emotions manage workplace relationships the result is conflict disengagement and low morale Emotional Intelligence for Managing Results in a Diverse World delivers a novel prescription for managing effectively in today s workplace Use the dynamic principles of EQ plus insights from the author s pioneering diversity work to increase your competence in managing emotions and enhance your effectiveness in work relationships and life The book also gives you the know how to use this approach in coaching and developing others to help them be more successful on the job **Leading and Managing in Canadian Nursing E-Book** Patricia S.
