

DOES MY MOTHER REALLY LOVE ME?

A book about a Mother's Silent Affection

It is a poignant true-life story that invites readers to walk in the author's shoes. Throughout her childhood, a persistent question haunted her thoughts: Did her mother genuinely love her? In a world where love often speaks in whispers, the author's journey unfolds against a backdrop of scoldings and aching uncertainty, leading her to contemplate running away from home.

However, as she grows, she uncovers the passion and genuine love that has always been there, concealed within life's subtle moments. This deeply touching narrative delves into the intricacies of maternal love, transcending language barriers and unraveling the unspoken bonds that form even before birth.
