Louve Babe:

Silent Love over the Sea Martha Harris,2013-02-19 I think people should read this book not only because its one more love story but also because I want people to know that the Internet is not all bad Its also one more thing we can use for a marriage Do not get a divorce right away There are other options to try to work it out It was very nice to tell my friend Lisa to involve her and her husband together in a dating website Also I wanted to show how the solders in Iraq live and how you can make them live a happy moment connecting to his or her partner and dealing with the very sad moments that they are going through
