E. Mark, 2017-06-10. When the sky is ripped by a commanding voice with the grim verdict that the Intergalactic Affairs Committee has declared the Earth unsalvageable and a danger to the universe, people shudder, shake, and fall to their knees in prayer. But not Perry Brambles, a cynical, opinionated journalist who is desperately trying to finish his copy for the morning news and can't really be bothered by some blithering pain in the ass from an omnipotent being from another galaxy universe dimension or what have you. After voicing his comments rather descriptively, he's whisked away to another planet and tasked with guiding Earth's cumulative leadership to a better understanding of their duties with hopes of saving the world from this damning decree. And it will be here in space and time and even space-time that Perry will regain his youth and favourite sweater. He'll learn the truth about nature and human nature and all nature really and how, at the end of the day, what truly matters are peace, happiness, acceptance, children, love, and dusting. **Love in a Time of Loneliness** Paul Verhaeghe, 1999. It is these questions that occupy psychoanalyst Paul Verhaeghe in his best-selling book on the travails of human sex and desire. In Paul Verhaeghe's hands, personal and cultural desires and longings are infused with familiar triangulation points. The Simpsons, Monty Python, and even South Park share a cultural landscape with Plato and the ancient Greek tragedians. *Love in the Time of Apocalypse* Kate Rang, 2025-11-25. In a world ravaged by societal control and oppressive surveillance, Giga's life is turned upside down when she's forced to flee her town after she feels compelled to help a rebel outlier. With the help of Skinny Big, a mysterious figure from her past, and a ragtag group of survivors, Giga embarks on a perilous journey to find safety and a sense of belonging. As they face unimaginable hardships and encounter chaos, Giga finds herself drawn to the people around her, seeking connection and understanding in a world that's determined to tear them apart. Together with her new friends on the endless walk to the promised land, Giga's path becomes a quest for hope, for redemption, and the fragile pursuit of God. In the ruins of a world that wants to destroy them, they'll find the strength to persevere, but as the apocalypse rages on, will she find what she's looking for, or will the choices made for her seal her fate.
