Love Jimmy:

JIMMY'S UNREQUITED LOVE Earl Thompson,2012-07-10 Gem was unhappy But she remembered times when she was happy Those were times when she had had the man of her dreams He was everything to her and he had given her love like she had never had it before She thought this love was going to last forever but then she got pregnant and that changed everything He had previously told her he didn't want a child but she had thought that once he found out his love for her would prevail and they would be happy forever But she was wrong Now fifteen years later he was back and he told her that in order for everything to be as they previously were she would have to correct the mistake she had made in the past Gem was now obsessed with him and was now willing to do whatever it took to get him back into her life even if it meant committing the ultimate crime murder Even if it meant killing Jimmy her one and only son the one she thought was the reason for her unhappiness
