Love On A String:

Love on a String Celia Scott, 1988-01-01 **Love in the Hills** Fanny Emily Penny, 1913 Love and the Universe Albert Durrant Watson, 1913 The Book of Batch Scripting Jack McLarney, 2024-06-25 This fast paced hands on quirky introduction to Windows Batch scripting language is ideal for coders of all skill levels In this era of advanced programming languages the simplicity universality and efficiency of Batch scripting holds undeniable value Whether you re maintaining legacy systems or seeking to understand the foundations of command line automation The Book of Batch Scripting shows you how to become proficient with this tool included in every version of Windows As you work through the book you will Write a simple bat file that performs a daily task with just a couple of mouse clicks Delve into variables and data types and learn how a variable can possess two values at once and why you should care Learn how to manage and collect data on files and directories either locally or on a network Harness the power of the for command to build complex loops with just a few lines of code Explore advanced topics like recursion performing text searches and even learn how to write a bat file that writes a bat file Extend Batch to use features like booleans floats operators arrays hash tables stacks queues and even object oriented design Written for beginners and experts alike The Book of Batch Scripting will have you streamlining your workflow and writing effective code in no time This simple but powerful tool is about to make your life a little bit easier and more fun Requires Microsoft Windows *String Collizion: Just a Collection of Strings* Chris Leermakers, 2018-01-23 This is a collection of poems reflecting the authors unique views on life systems politics religion and more *Beginning Writers in the Zone of Proximal Development* Elizabeth Petrick-Steward, 2012-10-12 How do young children bridge the gap between writing a story with pictures and writing with words How children learn to use written words to tell a story is a topic important to both cognitive development and early literacy instruction Using the theoretical framework developed by Vygotsky the behavior of a group of prekindergarten children as they author two consecutive pieces of writing is analyzed The children tell their stories at first with spoken words and pictures As they discuss their work in progress in public conferences they discover how to build on and combine existing skills to produce a new skill telling stories with written words Current descriptive and theoretical perspectives on beginning writing are presented in this volume with a particular focus on Vygotsky s concept of the zone of proximal development a period of sensitivity in which learning advances The proposed mechanism of change is verbal mediation talk among peers and teachers as they discuss work in progress which moves the children through the zone of proximal development An open whole language approach to literacy instruction makes the classroom in this book an ideal arena in which to observe verbal mediation in operation Children are free to question criticize and argue and in the process they collectively advance their developing ability to use written language The work is unique in that the rich and comprehensive data record is reproduced in its entirety More than 400 illustrations of the children s products two books apiece pictured before and after the children s revisions are included along with transcripts of

the conferences about each of the pages permitting direct observation of the effects of verbal mediation This dynamic study documents change during a period of time when specific learning is occurring and provides strong support for the value and power of Vygotsky s theoretical framework

The Marriage You Do Not Deserve Lance W. Bell,2018-04-06 The Marriage You Do Not Deserve is the product of 20 years of Christian marriage research wisdom and teaching This book was written for Christian women and men looking forward to marriage or those already married seeking to learn more about God s institution A caution for those who reject God or the notion of a God who would send His son to Earth in order to walk with His creation and suffer the ultimate penalty for our rebellion This book is grounded in the Christian Bible If you do not have a relationship with Christ but are open to learning more about Him then you should receive a great deal of revelation from this book This book is intended to offend its audience As strange as that might sound I have learned that few people learn and embrace new concepts from the safety of their comfort zone The ideas in this book are intended to get under your skin expose the depths of your selfish nature and educate you to the amazing institution of marriage that God intended for His children The number one cause of divorce in the world is not money communication or lack of sex rather divorce is the outcome of our self centered nature and the material pursuit of happiness This book explains how we were created body mind and soul Each area is explored in depth in relation to our part in a Christian marriage While both the wife and the husband have equal value in God s eyes we were created and intended to perform very different roles within His marriage construct The book explores the history of marriage in the Bible how our brains were designed for social interaction and relationship how our bodies were designed for sex and how getting marriage right leaves a Godly legacy for generations to come
