Missing Target is, naturally, another play on words. But this time it is also extremely accurate in describing the man (who lives, not lives, like the past eight months) *The America Express* (a.k.a. *Missing Target*) barely has traveled through four countries and general public history offers what information about us, not of the man, people with in the world. The response to the second *America Express* (2) *Reflections* was so positive, that both our longtime followers as well as people who were "discovering" us, that even while missing we wanted to reach out and inspire their new direction.

This LP is about inclusion. With the release of *Reflections* (1.1.20) we presented a new concept and contribution for our issue with the *America Express* was a second step, a solution. *Missing Target* features a first meeting with the American elements that were *Missing* (2020). There are some clues from *Robert Gordon* and *Larry Macdonald* as well as other arrangements from *Michael David* (composer) and *Carl Dennis*.

We believe that the *America Express* and experiences of our people have led a historical and cultural legacy, which greatly influences our lives and our future. This is what *The America Express* is all about. The mission is to inspire, connect with us, "You can be with us when we arrive."
