

"A perfect novel." — *The New Yorker*

# Mrs. Caliban

Rachel Ingalls

# Mrs Calliban

**BM King**

## **Mrs Caliban:**

*Mrs. Caliban* Rachel Ingalls, 2016-09-13 In the tradition of *The Shape of Water* this perfect novel of a housewife who begins a passionate affair with a sea monster is something of a miracle *The New Yorker* It all starts with the radio Dorothy's husband Fred has left for work and she is at the kitchen sink washing the dishes listening to classical music Suddenly the music fades out and a soft close dreamy voice says Don't worry Dorothy A couple weeks later there is a special interruption in regular programming The announcer warns all listeners of an escaped sea monster Giant spotted and froglike the beast who was captured six months earlier by a team of scientists is said to possess incredible strength and to be considered extremely dangerous That afternoon the seven foot tall lizard man walks through Dorothy's kitchen door She is frightened at first but there is something attractive about the monster The two begin a tender clandestine affair and no one not even Dorothy's husband or her best friend seems to notice Selected by the British Book Marketing Council as one of the greatest American novels since World War II *Mrs Caliban* much like Guillermo del Toro's film *The Shape of Water* uses an inter-species romance to explore issues of passion and loneliness love and loss and in its own wryly subversive way it blends surrealism satire and a strong female perspective A literary cult classic it skillfully combines fairy tale science fiction and home reality People An ethereal masterfully written book *Entertainment Weekly* If you consume only one piece of art about a woman sleeping with a sea monster this year my advice is to make it *Mrs Caliban* [Literary Hub](#) [Mrs. Caliban](#) Rachel Ingalls, 2017-11-15 Now back in print *Mrs Caliban* is totally unforgettable *The New York Times Book Review* and something of a miracle *The New Yorker* In the quiet suburbs while Dorothy is doing chores and waiting for her husband to come home from work not in the least anticipating romance she hears a strange radio announcement about a monster who has just escaped from the Institute for Oceanographic Research Reviewers have compared Rachel Ingalls's *Mrs Caliban* to King Kong Edgar Allan Poe's stories the films of David Lynch *Beauty and the Beast* *The Wizard of Oz* E.T. Richard Yates's domestic realism B horror movies and the fairy tales of Angela Carter how such a short novel could contain all of these disparate elements is a testament to its startling and singular charm [Mrs Caliban and other stories](#) Rachel Ingalls, 2013-04-18 I loved *Mrs Caliban* So deft and austere in its prose so drolly casual in its fantasy John Updike First published in 1982 *Mrs Caliban* was in 1986 selected by the British Book Marketing Council as one of the 20 best post-war American novels Ingalls takes a B movie premise aquatic humanoid escapes from lab and pounds it into a thrilling new shape a vehicle for social satire kitchen sink realism surreal domesticity and just plain blood curdling screams The book deals with incest and insanity curtailed feminine social spheres and the Other horrific violence and a palpable sadness saturate the pages *Ed Park Village Voice* This volume also includes two story collections *Three of a Kind* and *The End of Tragedy* so making a tremendous primer in the subtle prose style and fabulist force of Rachel Ingalls *Mrs Caliban and Others* Rachel Ingalls, 1982 **Mrs. Caliban** Julie Talen, Hampton Fancher, Rachel Ingalls, 1995 [The Tribe of Pyn](#) David Cowart, 2015-12-02 In *The Tribe of Pyn*

Cowart offers illuminating readings of several important novelists now at the height of their powers whose work has received fairly limited scholarly attention thus far Jonathan Franzen Alice Walker David Foster Wallace Gloria Naylor Richard Powers and a raft of others are examined with lapidary care Wrestling with the challenges inherent to distinguishing generational character especially in the postmodern context which is often marked by its disavowal of ideas of origin etc Cowart teases out interactions and entanglements that help illuminate the work of the younger writers at the center of this study and also that of the trailblazers on its ragged frontiers By comparing literary figures born in the 1940s 1950s 1960s and later with those born in the 1920s and 1930s Cowart seeks to map the changing terrain of contemporary letters Hardly epigones he argues the younger writers add fresh inflections to the grammar of literary postmodernism Younger writers can continue to make it new Cowart establishes without needing to dismantle the aesthetic they have inherited from a parental generation

Tempests after Shakespeare C. Zabus,2016-04-30 Tempests After Shakespeare shows how the rewriting of Shakespeare's play serves as an interpretative grid through which to read three movements postcoloniality postpatriarchy and postmodernism via the Tempest characters of Caliban Miranda Sycorax and Prospero as they vie for the ownership of meaning at the end of the twentieth century Covering texts in three languages from four continents and in the last four decades this study imaginatively explores the collapse of empire and the emergence of independent nation states the advent of feminism and other sexual liberation movements that challenged patriarchy and the varied critiques of representation that make up the postmodern condition

A Way of Life, Like Any Other Darcy O'Brien,2014-07-01 This PEN Hemingway Award winner about coming of age in Los Angeles is a little gem of a novel a masterwork of Hollywood fiction Salon He's a child of 1940s Hollywood specifically Casa Fiesta a ranch in the Malibu hills that he shares with his mother a onetime Broadway headliner and his father a star of Westerns But when his parents fall out of favor in Tinseltown the narrator of this exquisitely crafted dark comedy loses his youthful idyll and accompanies his lovesick mother on a vodka soaked international quest for romance and redemption Meanwhile his father lives in diminished circumstances in California clinging to his silver screen mementos trusting that someday soon his ex wife and his career will return Tired of tending bar at his mother's parties and listening to his father's sad tales of former glory the boy moves in with his best friend's family in Beverly Hills But nothing in La La Land is quite what it seems and when his new home turns out to be just as dysfunctional as the last our teenage hero must somehow learn to accept his parents while finding the courage to break free and become his own man This award winning novel a kind of *Catcher in the Rye* for the Cheap Trick generation GQ was cited by the Guardian as one of the ten best neglected literary masterpieces Written by a New York Times bestselling author who was a child of Hollywood movie stars himself it has been praised for its spectacularly deadpan humor by the Atlantic Monthly and called an insightful coming of age tale by the Austin Chronicle
