Origin Of Landscapes:

The Origin of Landscape Archibald Geikie, 1906* **Albrecht Altdorfer and the Origins of Landscape** Christopher S. Wood, 2013-07-15 In the early sixteenth century Albrecht Altdorfer promoted landscape from its traditional role as background to its new place as the focal point of a picture His paintings drawings and etchings appeared almost without warning and mysteriously disappeared from view just as suddenly In *Albrecht Altdorfer and the Origins of Landscape* Christopher S Wood shows how Altdorfer transformed what had been the mere setting for sacred and historical figures into a principal venue for stylish draftsmanship and idiosyncratic painterly effects At the same time his landscapes offered a densely textured interpretation of that quintessentially German locus the forest interior This revised and expanded second edition contains a new introduction revised bibliography and fifteen additional illustrations *Landscape in History* Archibald Geikie, 1905 *Pacific Island Landscapes* Patrick D. Nunn, 1998 *Pacific island landscapes* explores the origin and physical history of one of the least known regions of the Earth s surface the Pacific Islands Never before has such a systematic account of the island groups been compiled In this volume Patrick Nunn outlines how each of the main island groups originated then gives detailed accounts much from his own research of islands in Fiji Samoa and Tonga A final substantive chapter treats the interaction of early human settlers of Pacific Islands and their environments Back cover

Seeing History: Public History in China LI Na, 2023-11-06 When public history was imported from the United States to China around the turn of the twenty first century it was introduced as a sub field within history and has developed along that path ever since Professional historians in China even some forward looking ones see public history as merely presenting a change in the patterns of participation in history making This book offers a sharply different view It contends essentially that public history represents more than a research domain within history or within any existing discipline nor does it fit into any established narratives but rather a fundamental change of the entire process of history making in China In this process the public is prosuming history Public history makes obsolete the old structure for building and acquiring historical knowledge it challenges the old assumptions supersedes the rigid academic hierarchy and stirs the imaginations of the multitudes With an assemblage of case studies this work makes a case for a system view of public history making or public history ing and launches a concept complex public history i e public history ing as complex adaptive systems *The Edinburgh Review* , 1891 **Landscape Theories** Olaf Kühne, 2019-04-08 In the past decades the discussion about theoretical approaches to the topic of landscape has increased This book presents the currently discussed theoretical approaches to landscape and shows its potentials and limits The theoretical approaches are discussed on the basis of current questions such as socialisation and the hybridisation of landscape and combined with empirical results This is followed by a discussion of the landscape policy operationalisation of theoretical considerations and empirical findings *The Principles of Sociology: pt.1.
