My Contemporaries, Vol. 1 William Archer Shee,2018-01-03 Excerpt from My Contemporaries Vol 1 1830 1870 IN venturing to publish the following pages I wish to state for the information of the reader that they contain extracts and selections from a Diary commenced long years ago and discontinued in 1870 The motive Which led me at starting to depart from the beaten track was to try Whether the tedium and monotony of details of

every day life might not be mitigated by giving a Wider scope to such a publication and by discussing current events and the men and measures incidental to the period About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Risking who One is Susan Rubin Suleiman,1994 Risking Who One Is shows how the process of self recognition even self construction in the reading of contemporary work can lead to larger considerations about culture and society to the dimensions of historical awareness and collective action The book gives us a new way of looking at issues that are as personal as they are prevalent in the writing the criticism and the life of our times

My Schools and Schoolmastes Hugh Miller,1877 **A Tribute to 101 Incredible Women of Distinction Who Influenced My Life From My House to the White House** M. Joyce Dickerson,2010-06-29

Originally this book was centered on identifying only one hundred women until Mrs Michelle Obama became the first African American First Lady thus it became apparent that she had to be added to this list thereby she became the one hundred and one most influential women in my life I can truly begin and end appropriately when I refer to the women who had a profound effect on me and my life extends from my little white house on a dirt road in Bulloch County Georgia to the White House located at 1600 Pennsylvania Avenue Washington DC I am not sure just how many of the readers will receive my reference to scripture as I will often refer to but I want to start with a quote give honor to where honor is due and tribute tow where tribute is due These one hundred and one women stories and lives have certainly influenced me guided me taught me and help to prepare me to live and have a wholesome and wealthy life whereby it is has contributed to my entire wellness

Wholeness wealth and wellness come in a variety of ways however often times they are not easily recognized because they are not in a materialistic appearance which can be touched or perceived It is now my esteemed pleasure to introduce you to the women of honor who contributed too much to me I was able to look beyond my economic social financial circumstances into a new realm of endless possibilities

On My Way Art Young,1928

My Contemporaries in Fiction David Christie Murray,2015-09-12 My Contemporaries in Fiction **I Wouldn'T Have It Any Other Way** Samuel Myers Sr.,2010-09-30 When it comes to the final analysis all of us has a story to tell The problem is that to tell it takes a lot of will and patience And when you think about it willingness and patience are not some things that a lot of people have I titled this book I Wouldnt Have It Any Other Way This title was not just chosen there is a reason behind me coming up with this title After reading this book no doubt many are saying within yourselves How in Gods world did he

arrive at this title after having experienced all of the things that he has experienced When I look at my parents siblings and those that have shared many of the same experiences that I have I decided to use all of these things as a stepping stone not as a stumbling block I viewed these occurrences through the eyes of God When I did I said that I would not have it any other way All of the different things that I personally have been through have enabled me to draw closer to God Having such an intimacy with God has caused me to get to places in Him that I never imagined I am mindful of the passage of scripture that is found in Romans 8 28 This scripture says that And we know that all things work together for the good to them that love God to them who are the called according to his purpose This being said I feel that all things that were mentioned in the content of this book both the good and not so good have happened for my betterment These are the things from my days of my infancy to this present time With that being said it was in the plan of God that I was born to Boston and Evelyn Myers The things that they went through under the sharecropping system and the Jim Crow laws have helped me to value God and the things of God The loss of my mother at an early age caused me to put my trust in God for my survival The woodpile experience helped me to prepare for the establishment of a genuine relationship with God Lastly the union with Mary Elizabeth was not an accident This most definitely was in the plan of God My three sons that came out from this union was also in the plan of God What can I say I cannot say anything but that I Will Not Have It Any Other Way **The Living Age**,1914 SILHOUETTES OF MY CONTEMPORARI Lyman 1835-1922 Abbott,2016-08-28
