The Journey to Your Ultimate Self Rabbi Shmuel Reichman,2022-01-17 Everyone will agree that a story needs an ending unless a story goes somewhere it is pointless The purpose of a set up is to lead toward a conclusion toward a destination A story without an ending without a purpose is not a story worth telling The same is true for our lives we need a destination We are all part of a larger story but we are also writing our own individual stories Hashem created us in this world with unlimited potential but that was only the set up the beginning of our story Without a purposeful destination a clear goal and a deeper understanding of who we are and who we are meant to be the set up lacks true meaning We need to make this a meaningful journey a story of growth creativity and contribution This book is written to help you along your personal journey to help you become the ultimate version of yourself As you learn through this sefer plant the ideas within your mind and soul and bring them to life Make your life a meaningful journey an extraordinary story
