Stewart Alsop

My Counting Hb:

Stay of Execution Stewart Alsop, 2016-06-07 A poignant memoir of a full life and an impending death written by one of America's foremost journalists during his battle with terminal cancer. For three decades from the end of World War II well into the Watergate era, internationally renowned newspaper and magazine columnist Stewart Alsop was a fixture on the Washington DC political landscape. In 1971, the respected journalist was diagnosed with a rare form of leukemia, marking the beginning of his courageous three-year battle with the terrible cancer that ravaged his body but could not damage his spirit or slow his facile and brilliantly incisive mind. A passionate social critic and peerless political analyst who hobnobbed with presidents from FDR to Nixon and enjoyed the respectful fellowship of such notable figures as Winston Churchill, Alice Roosevelt Longworth, and Henry Kissinger, Alsop insightfully chronicles the course of his medical history without a trace of maudlin self-pity while celebrating his family, friends, colleagues, and an extraordinary life well lived. *Stay of Execution* is Stewart Alsop's moving, powerful, and inspiring memoir of his terminal illness and his life before an unforgettable true story of courage and accomplishment, trials and tragedy from one of the most revered American journalists of the twentieth century.

Spook House M. L. Bullock, 2022-10-26 Unlikely friends Mallory and Beth embark on a landmark paranormal investigation they will explore and document Derby Hill's notorious Spook House. Surrounded by forest and cut off from the modern world, the ghost hunters slowly begin to uncover the terrifying secrets behind a macabre series of murders. Unearthly forces come against the women as they uncover a legendary room and the ghosts that call it home. Will they allow the living to enter? Beth's attempts to connect with the dead residents leads her down a dangerous path, one she may not come back from if she refuses to let go of the ghosts who beckon her. Mallory's search for scientific truth leaves her wondering what's real. Will her obsession with the Spook House forever unbalance the archaeologist? Set against the backdrop of the South's notorious past, M. L. Bullock's *Spook House* is a dark, scary ghost story with plenty of twists and turns. I couldn't put it down. *Spook House* is the third installment in M. L. Bullock's Southern Gothic Series. Each book is a paranormal novella featuring southern hauntings. Other books in the collection include *Being With Beau* and *Death's Last Darling*. Find a comfy spot, preferably by a rainy window, and get lost in the Spook House.
