Royal Wedding Number Two:

Kardashian Dynasty Ian Halperin, 2016-04-19 Investigator and 1 New York Times bestselling author Ian Halperin pulls back the curtain on America's notorious Kardashian family's meteoric rise to fame and the dark secrets they've struggled to hide in Kardashian Dynasty. The Kardashians and Jenners have taken the world by storm collectively rising to superfame after making their reality show debut on E with Keeping Up with the Kardashians in 2007. Since then their family life has remained a constant circus of tabloid headlines, red carpet appearances, branding deals, reality shows, and their spinoffs, and a slew of media coverage. And yet amidst their mega success the Kardashians have faced a firestorm of negative publicity over the years, particularly over Kris Jenner's role in the family. As matriarch and momager of the Kardashian clan, Kris has been accused of exploiting her children for fame and money and playing the media like a deck of cards. Based on extensive research, Ian Halperin delivers the salacious details behind the Kardashians' rise to fame. With revelations exposing the family's foundation as unstable at best and scandalous at worst, Halperin scrutinizes their self-made multi-million-dollar brand and provides an unparalleled glimpse into the events and scandals that have propelled the Kardashians to worldwide celebrity for better or worse.

At the dawn of the 21st Century a new universe of reflection within America reveals itself through deep spiritual inner observation and extra-sensory perception. THE UNIVERSE OF CHROME There e-manuscripts are a life journal of self-discovery and achievement compiled for many years and electronically written and created in the last 15 years. It reveals the existence of human perception across space and time as it brings forth a futuristic sports culture, heterosexual Christian-based religion, a divine spiritual language code that translates and interprets accurate numeric messages, and its measurements of time use the memory of Jesus Christ as a prophetic time marker of fulfillment. It introduces the CHROME Boy Scouts and Girl Scouts, a heterosexual scouts program with a civic practice program and rank ascension. The program is focused on self-achievement and excellence represented by CHROME, the tallest royal tower trophy in the universe.
