## Secrets Out:

**SECRETS OUT OF TIME** Kathleen Rigdon Highley,2026-01-12 Did the note R G McAnally had found in his mother s antique mantel clock contain a secret worth killing over If so how big a secret would it take He turned the note over and over thinking Thinking When it settled in his hand he looked down to see a single word written on the back side One Did One indicate that somewhere there lurked a Two Maybe a Three as well Of course it did Why number a note at all if only one existed Where might he begin to search for more clues and where would they lead To the truth or to the grave Across the ocean Maggie Miles held a similar clue in her hand Her father had told her that the mantel clock had belonged to her biological mother who had died within the first hour of Maggie s life Would her dad know anything about the mystery behind the clue Should she mention it to him and risk the possible consequences He d already been hurt so much The death of the love of his life and the death of his bride What would she be asking him to endure if yet another secret upended their comfortable lives Four seemingly unconnected notes scattered in inconspicuous places on two different continents culminate to change the lives of unsuspecting people who could not foresee the danger or their own destinies But God in his infinite wisdom and unwavering devotion to his children pull these people together in a way that only he can do A fantastic healing and restorative journey awaits as they trust God to bring peace and harmony to troubled waters and troubled souls
