The Seed Remembers Albert Mark Toops, Dana Gail Aston, 2001-01-01 **In the Mirror of Memory** Janet Gyatso, 1992-01-01 This book studies the diverse array of species of memory in Buddhism Contributors focus on a particular school group of texts terms or practices and identify a considerable range of types of mnemonic faculties in Buddhism Included are discussions of Buddhist teaching meditation visualization prayer commemoration of the Buddha dha rani practice the use of mnemonic lists to condense lengthy scriptures and the purported recollection of infinite previous lives that immediately preceded Sakyamuni s attainment of Buddhahood Even enlightened awareness itself is said by some Buddhist schools to consist in a mnemic engagement with reality as such The authors explore Buddhist views on mundane acts of memory such as recognizing reminding memorizing and storing data as well as special types of memory that are cultivated in religious practice One of the most striking discoveries is that perception is intimately related to certain types of memory Several essays investigate if and if so how meditative mindfulness and recollection of the past both of which can be designated by the term smrti are connected within the Buddhist tradition The question of whether recollection of the past can be explained without violating the foundational Buddhist notions of radical impermanence and no self is addressed by several of the contributing scholars Among the primary sources for the studies in this volume are the northern and southern Abhidharma literature the Ma tka s Pa li and Maha ya na su tras works of the Buddhist logicians Yoga ca ra materials the Tibetan Great Perfection Rdzogschen tradition and Indian and Tibetan commentarial works Affinities of Buddhist views on memory with those found in Western phenomenology semiology psychology and history of religions are considered as well

The Second Scroll Abraham Moses Klein, 2000-01-01 First published in 1951 The Second Scroll is the only novel by A M Klein a complex work rich with biblical talmudic kabbalistic and literary allusions This scholarly edition annotates and restores the text to Klein s original vision *A.M. Klein: Complete Poems* A.M. Klein, 1990-12-15 It is for his poetry that A M Klein is best known and most warmly remembered This collection includes all Klein s poetry both original works and translations from Hebrew Yiddish Aramaic and Latin Many of them coming from all periods of his careers have

never been published The poems are arranged chronologically according to date of composition This makes possible for the first time an appreciation of Klein s poetic development The editor s introduction places this development in the perspective of Klein s life and time and in particular explores Klein s lifelong struggle to reconcile his dual vocations as both a Jewish and a modernist writer The textual apparatus identifies all authoritative versions for each poem and lists all emendations and all substantive variants in both published and manuscript versions The explanatory notes gloss obscure terms and references They also provide a rich context for appreciation and interpretation by drawing connections with Klein s life his wide reading and his work as a whole Wherever possible Klein s own numerous but scattered comments on his poems have been cited

The Golden Mountain: Marvellous Tales of Rabbi Israel Baal Shem and His Great-Grandson, Rabbi Nachman, Retold from Hebrew, Yiddish and German Sources Nahman (of Bratslav), 1932-01-01

When God was about to create Adam a number of souls knowing that all of the souls then living in heaven would share in the sin of created Adam fled to a far place outside the boundaries of heaven and hid themselves in a corner of chaos There they waited until after the first sin was done Only that band of hidden souls escaped the evil touch of Adam s sin And they are the Innocent souls When the Enemy becomes powerful on earth and stretches mountains of black clouds between man s earth and heaven when men become knotted with evil and lose their Godly form then the Almighty goes up to the highest of his regions and seeks out one of his Innocent souls He says to the Innocent soul Go down and purify the earth Such were the souls of Abraham of Isaac and of Jacob such was the soul of Noah such were the souls of the great prophets of the great scribes and of the great rabbis The soul of the Messiah is prince among this band of Innocent souls and when the time of Redemption arrives Messiah himself will come down from the highest of heavens Then the Enemy will disappear forever The soul of Rabbi Israel the Baal Shem Tov was one of that band of innocents who escaped the sin of Eden And this is how he came to be born on earth In a hamlet in the district of Moldau there lived the pious Rabbi Eleazer His wife was a virtuous woman she was the daughter of a pious Jew of the city of Okup Tartars attacked the valleys of Moldau pillaged the villages slaughtered many Jews and carried off others into slavery Rabbi Eleazer was one of those taken captive His wife said I will wait for his return until the end of my days and if he does not return to me in this world I will meet him in the next world In heaven Elijah came to God and said See how the Jews suffer It is time to send an Innocent soul down to earth to sweeten the lives of the Jews God said Not yet For many weeks Eleazer voyaged with the barbarians On land he was forced to carry heavy burdens On sea he was chained to an oar and made to row as a galley slave At last coming to a strange shore the Tartars took the Jew into the city and sold him in the marketplace as a slave He was purchased by the King s Grand Vizier who soon perceived that the slave though of a race unknown to him was a person of unusual intelligence Rabbi Eleazer had kept count of the days When Sabbath came he begged his master to permit him to rest on that day This the Vizier granted and Rabbi Eleazer did not work on Sabbath The only duty of Rabbi Eleazer when he was a slave was to watch for the time when his master the Vizier returned from his

audience with the King then Rabbi Eleazer would wash the feet of the Grand Vizier Thus the slave had a great deal of time to pass Rabbi Eleazer knew by heart the Psalms of David and he passed his days singing the Psalms He was not happy for he felt himself alone away from his people and he prayed God that he might be released to go home to his wife and to live among other Jews At last he could bear his life in the court no longer and he thought of flight One night he crept from his bed and made his way through the halls of the palace until he reached the gate There he saw the guard asleep His naked sword fallen from his hand lay at his side The keys were bound to his girdle Rabbi Eleazer looked at the sword and said to himself To take the keys I must lift the sword and slay the man Instead he returned and remained in captivity One year the King besieged a neighbouring city The city was strong and withstood his attack Then the King did not know what to do he asked of his advisers whether his army should continue to stand in their boats on the river before the walls of the city becoming themselves weaker while they waited for the enemy to weaken or whether he should risk all of his men in a charge upon the walls The Vizier did not know what advice to give and fell therefore into disfavour with the King When the Vizier came home Eleazer saw that he was troubled He began as every day to wash his master s feet The Vizier sighed and said Would that my own task were so simple
