Secrets Volume 14:

Secrets: Volume 14 Alex Aames, Leigh Wyndfield, Angela Knight, Jennifer Barlow, 2005-12 Soul Kisses Beth Chase learned vampires weren't all bad when Cade McKinnon turned and married her sister Valeria. But some vampires are evil and to Beth's horror she finds herself kidnapped by the worst of the bunch Joaquin Ramirez an immortal sadist. Luckily she's rescued by handsome vampire cousins Morgan and Garret Axton who are locked in their own war with the killer. Can she find happiness with two vampires and can they break Ramirez's vicious hold on her very soul? Temptation in Time Ariana escaped the Middle Ages after stealing a kiss of magic from the dark and sexy sorcerer Marcus de Grey. When Marcus kidnaps and returns her to the 14th century they begin a battle of wills and a sexual odyssey that could spell disaster for them both. Ailis and the Beast. When Ailis agreed to be her village's sacrifice to the mysterious Beast she was prepared to sacrifice her virtue and possibly her life. But some things aren't what they seem. In a time of ritual and mystery Ailis and the Beast are about to discover that animal passions are just the beginning and the greatest sacrifice may be the human heart. Night Heat When Rip Bowwhite leads a revolt on Velopit he never anticipates the Inter world council would abandon the prison planet leaving prisoners and guards struggling to survive against the monsters that rule the night. With their lives at stake the prison's Healer Jemma tries to ignore her instant and overpowering attraction for Rip. As death draws near passion flares to dizzying heights in the heat of the night.

Cyberspace Crime D.S Wall, 2017-11-30 This book was published in 2003. This book is a collection of key texts that have contributed towards or have reflected the various debates that have taken place over crime and the internet during that past decade. The texts are organised into three parts. The first contains a number of viewpoints and perspectives that facilitate our broader understanding of cyberspace crime/cybercrimes. The second part addresses each of the major types of cybercrime: trespass, hacking, cracking, thefts, deceptions, obscenities, pornography, violence and illustrates their associated problems of definition and resolution. The third and final part contains a selection of texts that each deal with the impact of cyberspace crime upon specific criminal justice processes: the police and the trial process.

The End is Nigh Robert Crowcroft, 2019 The tale of the relentless intrigue, burning ambition and bitter rivalry in British politics during the years preceding the Second World War exploring the interaction between Westminster and a world primed to explode.

Patriotic Taste Colin B. Bailey, 2002-01-01 During the final decades of the ancient regime prominent collectors in Paris commissioned and collected French paintings of the period: works by Greuze, Fragonard, David and others that together comprised l'Ecole Françoise the French School. In this book an art historian discusses six of these collectors and the collections they assembled showing that private patronage in this period was revitalized by this patriotic desire to collect contemporary art. Colin B Bailey explains why a taste for modern art emerged at this time and how it was encouraged and fostered. Examining the relationship between artist and patron he discusses the degree of influence these enlightened patrons and collectors expected to exercise when

new works were being commissioned Bailey shows that collectors of eighteenth century French painting seem not to have made rigid distinctions between the various genres or styles of the Academy's practitioners. Instead, history paintings and genre paintings, both rococo and neo-classical, were exhibited proudly on their walls as superb examples of the French School.

The Musical World of Marie-Antoinette Barrington James, 2021-07-20. For decades, eighteenth-century Paris had been declining into a baroque backwater. Spectacles at the opera, once considered fit for a king, had become hell for the ears, wrote playwright Carlos Goldoni. Then, in 1774, with the crowning of Louis XVI and Marie Antoinette, Paris became one of the world's most vibrant musical centers. Austrian composer Christoph Willibald Gluck, protégé of the queen, introduced a new kind of tragic opera, dramatic, human, and closer to nature. The expressive pantomime, known as ballet d'action, forerunner of the modern ballet, replaced stately court dancing. Along the boulevards, people whistled lighter tunes from the Italian opera, where the queen's favorite composer, André Modeste Gretry, ruled supreme. This book recounts Gluck's remaking of the grand operatic tragedy, long symbolic of absolute monarchy and the vehement quarrels between those who embraced reform and those who preferred familiar baroque tunes or the sweeter melodies of Italy. The turmoil was an important element in the ferment that led to the French Revolution and the beheading of the queen.
