Newman,2015-07-05 Excerpt from **Select Speeches of Kossuth** It is true the exuberance of Kossuth is often too Asiatic for English taste and that excision of words which needful abridgment suggests will often seem to us a gain Moreover remembering that he is a foreigner and though marvellous in his mastery of our language still naturally often unable to seize the word or select the construction which he desired About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Kossuth and His Generals** Henry W (Henry Walter) 1820 de Puy,2023-07-18 This book provides a detailed look at the life of Lajos Kossuth a Hungarian politician revolutionary and Governor President of Hungary during the revolution of 1848 1849 The book also includes a brief history of Hungary and select speeches by Kossuth This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Kossuth and His Generals** Henry W. De Puy,2017-12-21 Excerpt from **Kossuth and His Generals** With a Brief History of Hungary **Select Speeches of Kossuth** Etc Historic accuracy and impartiality have been a principal aim That they have been fully attained in matters where the author ities often themselves interested parties vary and where the smoke of a recent contest has not yet disappeared will

hardly be expected No attempt is here made to glorify the distinguished Kossuth as a perfect hero nor to answer the several newspaper charges which have appeared against him The record of history to which this is a humble and imperfect contribution will assign him his just place among the defenders of human liberty It may not be improper however to remind the reader that Power Gold and Diplomacy have long arms which can easily span an ocean that the immense interests of Despotism are at stake and that ambition vanity envy partizan animosity selfish fear and other unworthy passions may be as they ever have been wielded by great existing powers against their prominent assailants Every friend of truth then will hear both sides before allowing a noble sympathy for an oppressed nation to be crushed by personal attacks upon its most eloquent champion About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
