Sexual Options For Paraplegics And Quadriplegics:

Sexual Options for Paraplegics and Quadriplegics Thomas O. Mooney, Theodore M. Cole, Richard A. Chilgren, 1975

Sexual Rehabilitation of the Spinal-Cord-Injured Patient J. F. J. Leyson, 2013-03-09

G Blasius first described the anatomic aspects of spinal cord injury SCI in 1666. Until that time, society had totally ignored the physically disabled, let alone allowed them to mingle socially and sexually. The mortality rate between 1814-1914 was estimated to be 50-80%, although sexual and sociocultural implications were not addressed. In a 1928 novel, *Lady Chatterley's Lover*, D. H. Lawrence strongly reflected the sexual concerns of a paraplegic who had been labeled impotent. The modern management of SCI was initiated by Monroe and Guttman in 1943 but with heavy emphasis on physical and urological rehabilitation and only superficial attention to sexual dysfunctions. H. W. Home et al. started the investigation of SCI infertility problems in 1950. It was not until 1960 that Borsari and Comarr collaborated on a study that classified the types of sexual dysfunctions in relation to neurological levels of lesions following spinal cord trauma. Non-disabled sexuality came of age during the past two decades. This was highlighted by the 1966 publication of W. Masters' *Human Sexual Response*. However, the topic of sexuality in physically challenged handicapped persons remains largely taboo in our present society. There are an estimated 10-12 million SCI persons worldwide. In America, there are approximately 1.2-1.5 million SCI victims with an annual incidence of 12,000-15,000 or one every 35 minutes. The visibility of SCI persons was enhanced when the United Nations declared 1980-1990 as the decade of disabled persons. Furthermore, the enactment into law in July 1990 of the American Disabilities Act pointed out the handicapped person's right to the fullest pursuit of happiness. Since the release in 1974 of K. Heslinga's *Not Made of Ivory*, Preface Stone only a handful of books on medical sexuality for the disabled have been published. This book has three major objectives: 1) to provide thorough and comprehensive coverage of disabled persons' sexuality in all sexual orientations; 2) to introduce new terminology and theories to redefine certain sexual dysfunctions and to describe updated treatment formats; and 3) to present research and innovation that may stimulate further investigations into disabled sexuality during the next decade. The first part of this book defines new sexual terminology and describes the full spectrum of sexual challenges. The second half of the book deals with a variety of diagnostic and therapeutic sexual innovations, AIDS implications, and cosmic sexology. Finally, the Appendix lists international sexual referral centers and information organizations.

The Sex Atlas Erwin J. Haeberle, 2020-05-18. No detailed description available for **The Sex Atlas**.

Handbook of Sex Therapy Joseph LoPiccolo, Leslie LoPiccolo, 2012-12-06. When is it timely to publish a synthesis of previously published and original materials from a specific discipline? I believe it to be timely when one has a sufficient amount of high quality material covering the critical areas of that topic when the previously published material is scattered over a wide range of journals and books and when there is no single book that synthesizes the discipline. The treatment of sexual dysfunction emerged to the front lines of health delivery only during the past decade with the pioneering work of William Masters and Virginia Johnson. In spite of the

rash of sex clinics and sex therapists that followed precious little solid research has been conducted on the various strategies of therapy the means of assessing complex interpersonal sexual relationships and the manner by which clinical change is objectively assessed No one reader can keep pace with the multitude of journals that publish key material by sophisticated investigators And no one investigator can cover these salient areas alone with his or her original work in a single volume The critical papers have now been written Ten were written specifically for this volume and thirty three have previously appeared This volume laces them together into a coherent pattern Thus the time for a synthesis in sexual dysfunction

Rehabilitation for Independent Living Lois Schwab, United States. President's Committee on Employment of the Handicapped. Women's Committee, 1980 Annotated bibliography lists sources dealing with various aspects of independent living for the disabled arranged under the following headings 1 the child with a physical handicap 2 clothing 3 home management and devices for independent living 4 homes and furnishings 5 cookbooks 6 personal aspects of individuals with handicaps 7 other publications 8 media 9 transportation communication and architectural barriers 10 persons with mental retardation

Spinal Cord Injuries Roberta B. Trieschmann, 2013-10-22 Spinal Cord Injuries Psychological Social and Vocational Adjustment focuses on the process of adjustment to spinal cord injuries including rehabilitation medical intervention and examination of the daily life of persons with this kind of injury The book first discusses the consequences of spinal cord injury and rehabilitation as a behavior change process including physical symptoms of spinal cord injury rehabilitation process and treatment systems approach to the concept of adjustment and suicide and self neglect The manuscript also deals with the psychological factors in the adjustment to spinal cord injury Topics include emotional reactions at onset of spinal cord injury personality characteristics of persons with spinal cord injury and factors associated with adjustment to spinal cord injury The publication takes a look at the social factors in the adjustment to spinal cord injury as well as the social implications of disability family relationships recreation aging and task of socialization The book also reviews the variables related with productivity following spinal cord injury and sexuality and spinal cord injury The effect of the treatment environment on adjustment to spinal cord injury and therapeutics techniques are discussed The manuscript is a dependable reference for readers interested in the psychological social and productivity implications of spinal cord injuries

The Management of High Quadriplegia Gale G. Whiteneck, 1989 The distinguished editors of this volume are from three outstanding centers of high quadriplegia care Craig Hospital in Colorado the Santa Clara Valley Medical center in California and The Institute for Rehabilitation and Research in Texas They explore the many perspectives that must be integrated in the management of high quadriplegia in four major sections on acute care rehabilitation the process of discharge and lifetime issues Addressing the huge array of resources needed to treat these individuals and including the expertise of physicians nurses physical occupational respiratory and recreational therapists nutritionists social workers psychologists and others this book is an unrivaled compendium to help those with high quadriplegia sustain and achieve a satisfying quality of life It will be

referred to constantly by all health care professionals involved in their care

Sexuality and Handicap B. Dechesne, C. Pons, A. M. C. M. Schellen, 1986 Disabled USA, 1987 The Sensuous Wheeler Barry J. Rabin, 1980 Neurology James L. Bernat, Frederick M. Vincent, 1993 **Rehabilitation Literature**, 1981 **Clinical Neurology for Psychiatrists** David Myland Kaufman, 1985 The updated and expanded fifth edition of this book provides an understanding of the neurologic knowledge that has a bearing on psychiatry Abundant illustrations clarify the concepts More than 1 000 review questions representative of those on national board exams help readers to master the material

Wheeling and Dealing Esther I. Wilder, 2006 Before his motorcycle accident Travis saw himself becoming a pro football player Now paralyzed from the nipple down he says At times it s a pain in the ass literally and figuratively But it allows me to not be as threatening to some people the way I was when I was still an athlete Because a lot of times male interaction is done on the basis of pissing contests I m bigger I m tougher I m stronger I m smarter When you re in a chair they don t look at you like that At the same time Travis complains that many people are uncomfortable interacting with him because of his disability I would rather you make a mistake and deal with me than not deal with me at all Meghan is a high level quadriplegic living alone who uses a power wheelchair and requires daily attendant care She laments There are so many people who think we re asexual we re not pretty and we re creeps and weirdoes To dispel this myth she envisions a fashion show of women in wheelchairs parading down a runway Meghan has been involved in a number of sexual relationships since sustaining her injury While she doesn t think her disability has diminished her sexual pleasure she feels that it has affected her sexual performance Well you can t move it You can t like bump and grind In 32 unusually frank in depth interviews like these the men and women in this book freely discuss their sex lives their beliefs about God how they want others to treat them and whether they want to walk again In each chapter the author presents their complex voices and comprehensive research about different facets of spinal cord injury

Wheeling and Dealing explores the extent to which people with spinal cord injury locate their challenges in their physical impairments or in the social environment Some disagree with those disability activists who focus almost exclusively on the latter but the author examines this issue in depth Topics include Physical health from degrees of loss of function to problems like pressure sores temperature regulation and bladder control The stages of psychological adjustment and rehabilitation Obstacles to sexual intimacy treatment of erectile dysfunction and new sources of sexual pleasure and emotional intimacy Religion and spirituality Social and political beliefs with those with SCI weighing in on everything from welfare services to embryonic stem cell research Dating marriage and parenting Friendship networks and social supports concerns about transportation and accessibility stigma Education employment and economic consequences This book is the recipient of the 2004 Norman L and Roselea J Goldberg Prize from Vanderbilt University Press for the best project in the area of medicine

Enabling Romance Ken Kroll, Erica Levy Klein, 1992 The first comprehensive practical guide to relationships for the physically challenged Offers complete information on the social romantic and sexual requirements posed by a wide range of

disabilities The book includes lists of family planning and independent living organizations dating friendship and pen pal services and mail order catalogs magazines and videos Illustrations Sex and Health Armando DeMoya,1983
