Sexuality Debates:

The Sexuality Debates Sheila Jeffreys, 2013-11-05 First published in 1987 From the 1870 s to the 1920 s feminists actively campaigned against men s sexual abuse of women This collection brings together the major articles which fuelled the feminist campaigns and helped to bring about significant reforms

The Sexuality Debates Sheila Jeffreys, 2013-11-05 First published in 1987 From the 1870 s to the 1920 s feminists actively campaigned against men s sexual abuse of women This collection brings together the major articles which fuelled the feminist campaigns and helped to bring about significant reforms

Queer Questions, Clear Answers Thomas S. Serwatka, 2010-05-05 This provocative book examines the important issues in contemporary debates on sexual orientation from our various religious beliefs to our stereotypes about homosexuals from questions about the origin of sexual orientation to the lessons we can learn from history Queer Questions Clear Answers The Contemporary Debates on Sexual Orientation offers an eye opening conversation about questions facts and fears relative to sexual orientation The book is framed around a series of nine sets of queer questions including Who is queer and who is not How do we interpret and use sacred scriptures to control behavior and set public policy What lessons can we learn from history and psychology and What is the homosexual agenda The author himself a gay man and prominent academic combines cross disciplinary research and personal anecdotes in his intriguing search for answers to questions that are central to ongoing cultural and political debates In discussing each set of questions he examines perspectives and arguments from across the political spectrum The clear articulate and wholly candid answers he offers will help readers get beyond the headlines and the sound bites to better understand many important arguments about homosexuality and human rights

Sexuality and Public Space in India Carmel Christy, 2017-03-16 The topic of sexuality and gender within the South Asian context is timely and widely discussed across a variety of academic disciplines Since the end of the last century there have been debates in the cultural sphere in India on issues concerning Lesbian Gay Bisexual Transgender people s rights gender sex workers rights and caste There has also been an explicit visibility for sexuality in the form of discussion around intimate scenes in films advertisements and moral concerns around pre marital heterosexual relationships and same sex relationships This book brings out the modalities through which explicit visibility of sexuality gets constituted in the public space of India after the 1990s The specificities through which relations of gender sexuality and caste get constituted and performed in regional media provide significant entry points to an understanding of larger structures and the ever present fissures through which these larger structures emerge Focussing on the southern state of Kerala the book investigates women s sexuality and caste through a number of case studies the Suryanelli rape case neology in the media and the debates around the life narratives of Nalini Jameela a sex worker The book does not stop at representational practices as it also looks at the negotiations between the subject and her represented figures which is a significant addition to the existing body of work in the field of media and gender studies Sexuality and Public Space in India is a careful interrogation of

the mass mediatized space of contemporary public discourse around sexuality It will be of interest to academics in South Asian Studies Sociology Anthropology and Gender Studies

Adventures in Lesbian Philosophy Claudia Card,1994-12-22
Adventures in Lesbian Philosophy contains many illuminating discussions of S M sex lesbian ethics lesbian desire bisexuality and includes a useful bibliography of lesbian criticism Passion This new collection edited by Claudia Card includes important articles of interest to feminist philosophy relating to lesbian feminist issues and ethics Ethics a fun and engaging conceptual romp Journal of the History of Sexuality These essays explore diverse positive understandings of lesbian philosophy from contested sexual behaviors such as pornography and sadomasochism to the meaning of lesbianism Editor Claudia Card has also included an up to date bibliography of lesbian philosophy and related works

The Sex Education Debates Nancy Kendall,2024-05-31
Educating children and adolescents in public schools about sex is a deeply inflammatory act in the United States Since the 1980s intense political and cultural battles have been waged between believers in abstinence until marriage and advocates for comprehensive sex education In The Sex Education Debates Nancy Kendall upends conventional thinking about these battles by bringing the school and community realities of sex education to life through the diverse voices of students teachers administrators and activists Drawing on ethnographic research in five states Kendall reveals important differences and surprising commonalities shared by purported antagonists in the sex education wars and she illuminates the unintended consequences these protracted battles have especially on teachers and students Showing that the lessons that most students teachers and parents take away from these battles are antithetical to the long term health of American democracy she argues for shifting the measure of sex education success away from pregnancy and sexually transmitted infection rates Instead she argues the debates should focus on a broader set of social and democratic consequences such as what students learn about themselves as sexual beings and civic actors and how sex education programming affects school community relations

Same Sex John Corvino,1999
Same Sex presents a comprehensive anthology on homosexuality exploring historical conceptions of homosexuality homosexual identity and a variety of public policy issues

The Sexuality Debates Sheila Jeffreys,1987

Fundamental Feminism Judith Grant,2013-09-13
In Fundamental Feminism Judith Grant explores the evolution of feminist theory as well as the state of today s feminist thought Pointing to the main problems within feminism Grant calls for a substantial revision of the core concepts responsible for shaping today s feminist theory Grant identifies and critiques three core concepts in feminist theory woman experience and personal politics from their origins in pamphlets and writings in the early women s liberation movement to their current construction in feminist thought She connects a number of key debates in feminism today to the longstanding influence of these core assumptions These debates include the hegemony of the white female perspective the tension between anti pornography and pro sex feminists and the challenges presented by postmodernism Fundamental Feminism is provocative reading for anyone interested in the future of feminist theory and the power of feminist politics

Sex, Gender, and Sexuality Abby L. Ferber, Kimberly Holcomb, Tre

Wentling,2009 There has been an outpouring of discussion and interest in recent years on gender and sexual identities in the disciplines of sociology and women s studies Now for the first time there is a reader available that bridges the study of both gender and sexuality providing a thorough examination of their interconnections In an accessible format the editors of The New Basics construct a new model for making sense of gender and sexuality by raising provocative questions such as How has our understanding of the relationship among sex gender and sexuality changed over time How are these concepts constructed differently across cultures What is the difference between transgender transsexual and queer How does class and race shape people s experiences and expressions of gender and sexuality While exploring a wide range of issues each piece makes the relationship among sex gender and sexual identities central to the analysis The New Basics includes first person accounts and narratives poems theoretical analyses and critiques of existing research Due to the evolution of thought and terminology in recent years the editors have included a useful and unique glossary of basic and new terms

Global Perspectives and Key Debates in Sex and Relationships Education V. Sundaram,H. Sauntson,2016-01-26 There is a great variety of sex and relationship education in the global North and South and this book draws together the global perspectives and debates on this key topic Issues including gender based violence pornography sexual consent sexual diversity and religious plurality are all discussed with reference to cutting edge research

Understanding Human Sexuality Janet Shibley Hyde,John D. DeLamater,2000 This text approaches the subject of human sexuality from a psychological perspective It features information from a variety of disciplines such as biology women s studies sociology anthropology and health education The text offers extensive coverage of research and theoretical findings but its informal tone makes it suitable for students at all academic levels

Taking Sides William J. Taverner,2002 This debate style reader is designed to introduce students to controversies in human sexuality The readings which represent the arguments of leading social commentators educators and sexologists reflect a variety of viewpoints and are staged as pro and con debates Issues debated include biology behavior and human sexuality issues in reproduction and health and legal and social issues

Gay Marriages, Gay Families Michael Lee White,1993

Spectacular Flirtations Gillian Perry,2007 During the Georgian period there was a remarkable proliferation of seductive visual imagery and written accounts of female performers Focusing on the close relationship between the dramatic and visual arts at this time this beautiful and stimulating book explores popular ideas of the actress as coquette whore celebrity muse and creative agent charting her important symbolic role in contemporary attempts to professionalize both the theatre and the practice of fine art Gill Perry shows how artists such as Gainsborough Reynolds Hoppner or Lawrence produced complex images of female performers as fashion icons coquettes dignified queens or creative artists The result is a rich interdisciplinary study of the Georgian actress Published for the Paul Mellon Centre for Studies in British Art

Good Sex Raymond A. Belliotti,1993 Rules about sexuality written and unwritten have existed in every culture as have disagreements over what is and isn t acceptable Must morally permissible sex have only

one function Must it be heterosexual Must it occur within the confines of the institution of marriage Must it be accompanied by requisite emotions such as love and intimacy **Crucible**, 2004 **Sexuality Research in the United States** Diane de Mauro, 1995 The Sexuality Research Assessment Project SRAP found the need for more research and its dissemination to policy makers practitioners educators and the public comprehensive training for sexuality researchers and overall strengthening of this research field to gain greater academic respectability and public acceptance **The Sexual Self** Michael S. Kimmel, 2007 Abstract **Analyzing Gender** Beth B. Hess, Myra Marx Ferree, 1987 In the last decade there has been an enormous amount of scholarship on women's issues feminism and gender as variables in various institutions and processes of society This interest in gender particularly in the role of women has been evident in all the social sciences The volume of books articles series and journals dealing with women continues to increase rapidly Yet until now there has been no key to this large body of literature More than just another collection of articles on women's studies **Analyzing Gender** is the major synthesis of current social science research on issues involving gender This volume is a tightly edited collection of articles that consolidates our current state of knowledge about the role of women in society Contributors come from a wide variety of social science disciplines and theoretical perspectives but universally seek to enlighten us on what this flurry of activity has demonstrated about the issues that face women in contemporary society Chapters are broad in scope and carefully examine the current state of knowledge and research **Analyzing Gender** is destined to become the benchmark for current and future research on sex roles and gender studies This important new collection promises to be a landmark in the evolution of feminist scholarship The contributions and the editors comprehensive introduction move beyond examining bias in the social sciences to examining new descriptions concepts and theories that emerge from research on women As a result the book will help us think about how feminist studies are transforming social scientific thought Margaret L Anderson University of Delaware Remarkable reading Midwest Book Review An exciting and consistent collection of essays using the social construction of gender perspective This book will advance feminist social science theory and have an honored place in feminist libraries and on feminist course lists I look forward to using it Judith Lorber CUNY Graduate Center This volume introduces new terrain and provides a benchmark for feminist sociology Contemporary Sociology Likely to become a definitive reference for any feminist social scientist **Analyzing Gender** is provocative politically self-conscious thorough and a work of impeccable integrity In emphasizing the centrality of the intersection of contemporary systems of hierarchy the complexities of the diverse realms of social life and the importance of subjectivity and experienced life **Analyzing Gender** distinguishes itself from other surveys of feminist thinking Contemporary Psychology Presents state of the art research and thought on issues related to gender Hess and Ferree have provided an informative and insightful introductory essay An essential resource for scholars as well as students the collection is uniformly written and referenced Each essay includes a substantial up to date bibliography and there is a well organized index for the volume as a whole Highly recommended

Choice An essential addition to the bookshelf of anyone teaching the area Book Ends Most will find Analyzing Gender a valuable book to own to consult and employ in feminist teaching and research Its chapters provide comprehensive coverage of such staple arenas of gender analysis as family work sexuality popular culture and political life amplified by essays on feminist challenges to religion medicine law knowledge and militarism Most are highly informative offering useful crash courses in their respective subfields Among Analyzing Gender s many strengths is its keen sensitivity to class race and other power laden differences between women SIGNS Journal of Women in Culture and Society An excellent collection of contributions There are many scholarly and innovative chapters here which educators are strongly recommended to read This is an outstanding collection overall and a valuable consolidation of the current stae of the art in gender research

Evaluation and Research in Education
