My Life & Times as Harve Bodine Joe Smith,2007-08 Joe s Story Bodine The story about this novel started in Dallas when Sandee Mac did a past life regression on me It seems that I rode with the Quantrell Raiders My name was Harve Bodine Some time after that reading when my wife Marta and I were driving through New Mexico we stopped at the St James Hotel in Cimarron to get a cup of coffee and a sweet roll We had heard they were as big as a cow pie When I walked into the hotel I had the strong feeling of deja vu I felt like I had been there before It turns out that 26 men had died in that hotel in the 1800 s It was full of entities Something started me writing these stories and they seemed to have a life of their own I sit down and start a chapter after working all day and at 11 00 I m still writing it is kinda habit forming You know where are they going today what are they up to Things happen in the story that I had no idea that was the way it was going It writes itself A lot of the area in the stories I knew about The 4th episode takes place about 20 years later Robert Bob McKusick liked my stories so well he told me of his past life Seems he was a train robber around 1880 He actually found a Robert McKusick in history that was a train robber in that time and place as he remembered it He sent me all the history on it and I wrote the Arizona is Hot story about that history A lot of it is fact it was taken from the known history of train robberies I just made it fit my story And Bob or Robert was in it Most of the characters in the stories are taken from people I have known their character is imbedded in the story I try to show real emotion that people have in a certain situation Some times while writing I get tears in my eyes I put a lot of feeling in the stories I hope you all enjoy
