

Silence Is Golden?

Again hurt by words

Stupid words... that didn't make sense

Maybe I should've thought: whatever, I don't care

But I couldn't because in fact it did hurt me like hell

Those words broke my heart

Why do people which I care about and love say such things?

Saying things without thinking first?

If only they knew the truth about me....

I know they would keep their mouth shut then

At least I know now how they really feel about it

**But why was I again such a hypocrite for laughing along
and not saying anything?**

Should I be silent?

Silence is golden... some say...

But against what price?
