*My Hugger Is Empty* Greg Hancock, Melody Morrison, 1999      The Complete Single Father Elaine Fantile Shimberg, Michael Shimberg, 2007-10-01 Being a single parent is a tough job no matter who you are but if you're a single dad you likely feel you've entered a strange new world. Whether your kids are twelve months old or twelve years old, the tips and advice in this comprehensive guide will make the little tricks of parenting feel like second nature to you. Authors Elaine Fantile Shimberg and her son, single father Michael Shimberg, show you how to make your house or apartment a home, juggle your work and personal schedule with that of your kids, coparent with your ex for the kids' sake, handle special circumstances if you're a widower, celebrate holidays and deal with in-laws, raise daughters both youngsters and teens, cook foods your kids will eat, field common childhood maladies, date again. Throughout Fantile Shimberg and Shimberg include tips from the trenches, anecdotes from more than fifty single dads just like you on what works and what doesn't, as well as recommendations from lawyers, marriage counselors, psychologists, social workers, teachers, and clergy members. With The Complete Single Father you'll have everything you need to enjoy your kids while maintaining a stable environment and reducing stress for all involved without losing your sense of humor.

Colors of the Soul Jami Waters, This metamorphic autobiographical collection entails the haunting and raw interpretations of the author and her life. The tale of darkness breaking free from the chains that life wrapped her in from a very young age. Always connected with nature, the author chose to focus her descriptions and artistic impressions on aspects of complexities of the earth and cosmos. All works in this book reflect a time in the author's life and speak to the intricate nature of the human soul. We come in many colors and reflect and refract the world around us. This journey is one of transformation and of coming out of the darkness into the light. It is one of inspiration for those lost and afraid to step out and find peace in the world around them despite chaotic and sometimes tragic circumstances. It does not follow traditional formatting because life is not formatted. It is not scripted and is often complete pandemonium. The text is organized into 4 sections reflecting different aspects of a person's inner growth and journey. The black is what the author was born into; it was all she knew for much of her life. The abyss was a time of great sorrow and rage that was pivotal to the transformation into the person the author has become through much life experience, tragedy, and joy. Black and white describes the nexus of change, the beginnings of what was possible, and the struggle between staying in what is known and breaking out of the comfort of chaos, as some of us know all too well. Change can be terrifying if we don't have any idea what is on the other side. Illumination was the point of freedom, the existential release from the darkness that plagues us all, and our ability to overcome it. All of these are almost lyrical in nature because they music in our hearts is what drives us to move forward and be the person we were destined to be. Breaking into that world is painful and disillusioning. We have to be brave enough to try.
