The Incident Lela Anderson Stute,2019-03-18 Five year old old Anya is a blonde haired blue eyed girl Thin with waist length hair her life is just beginning From outward appearances she lives a privileged existence in a beautiful home with her parents and has everything she needs But appearances can be deceiving The Incident a novel by Lela Anderson Stute follows Anya from the young age of five to eighty five as she takes her last breath It tells how she learns to accept her position in life as an unwanted child an unwanted wife and an unwanted mother It shares the life story of a woman who accepts and understands what it s like to be different Conveying themes of emotional childhood and spousal abuse this story offers insight into Anya s world as she feels rejection fear loss and hope as someone who didn t know how to live life until it was too late

The Good News of the Apocalypse Ione L. Sedinger,2010-10 Today there is a renewed interest in the Biblical book of Revelation which naturally brings to mind the word apocalypse Because Revelation is best known for its wild symbolic imagery some people will naturally assume this title to imply the same approach This isn t the case the word can also mean simply prophetic and that certainly describes the Bible We are daily presented with the bad news of the world In contrast the Bible is the Good News the rain that cleanses our soul the amazing grace assuring us that God is still in control regardless of the situation Through studying his Word we are programming our conscience for right or wrong in thought and action That is the reason we need not only to read but to study the Bible daily The Good News of the Apocalypse offers assistance with that study with a brief comprehensible discussion of every book in the bible arising from Sedinger s experience with a study group for teenagers Everything in life is under God s control and so Pastor Sedinger refers to life as God s Dance The Good News is that Jesus came to teach us how to dance with God *Once - the Story of Me* Marily Simon,2011-12-02 Marily s

Kintail Place Margaret Agnes Paull,1886 *Abstract Musings* Judith LaHaie,2011-03-17 *Abstract Musings* is a collection of poetical verse where honest feelings are unveiled as disclosed from the imagination of the author Inspiring works are offered inviting open mindedness as repetitive messages flow exposing truth of life where not all is pure and wonderful Very often rhythmic words combine to form haunting images revealing belief that everything is mystically possible yet sometimes horribly insufferable Much of this poetry reflects ideals inciting fate as reality on a journey through designated vistas Many show that moments of fear obliterate hope telling we must offer heart felt prayers to GOD asking to be shown a new path to our destined eternity Throughout this book faith is

revealed as uppermost always testifying to our Creator's power over HIS scientific domain Existence and illusion intertwined invariably by love or loss are recurring themes explored intuitively in these writings Two of Judith's newest poems Castles of Sand and Crystal Beaches are examples of the author's passionate cries voicing inequality for mankind with greed totally violating harmonious guardianship of our Earth They were penned mid 2010 after the devastation caused to the world by corrupt governments big banks and big corporations particularly BP was realized Abstract Musings correlates social and moral conscience deigned through thought and vision by a questing soul displayed lyrically within the pages of this volume
