AI for Small Business Tom Bertly, 2025-11-04

Think AI is only for Silicon Valley giants or billion-dollar corporations? Think again. In this book, you'll discover how to turn cutting-edge technology into your own secret weapon without a degree in tech, without hiring an army of developers, and without feeling overwhelmed. This isn't about fancy tools or hype; it's about using AI in practical, approachable ways that save you time, increase your sales, and give you a serious edge over competitors. Inside this book, you'll start by getting crystal clear on what you want AI to do for your business, not what some app promises. You'll map out your goals, spot the repetitive tasks that eat up your day, and learn exactly where AI can step in to do the heavy lifting. From handling customer messages to generating content that still sounds like you, AI can become your personal assistant, marketing team, and sales strategist, all in one. You'll get a carefully curated toolkit of free and affordable AI apps for every part of your business: customer support, marketing operations, content creation, and sales. You'll learn how to automate repetitive tasks without losing your personal touch, so your customers feel cared for, not ignored. Imagine sending personalized follow-ups, collecting reviews, or welcoming new clients while actually freeing up your time to focus on what matters most.
