Playing The Offensive Line:

Playing the Offensive Line Karl Nelson, Bob O'Connor, 2005-09-13 I can't imagine that there has ever been a better book on offensive line play. It is the ultimate teaching tool for any level of play from the pro level to youth football. Great book. Tom Flores, five-time Super Bowl champion. The most important unit on any football team from Pop Warner to the pros is the offensive line. In *Playing the Offensive Line*, former New York Giant and Super Bowl champion Karl Nelson and veteran coach Bob O'Connor team up to offer winning strategies to players and coaches of all levels. In this illustrated guide, the authors show how to use proper stance, block effectively in running, passing, kicking, and goal line situations, execute a clean snap from center to quarterback. *High School Football: Offensive Line Play — Fundamentals, Skills, Techniques* Ned Ennis, 2024-11-26 High School Football Offensive Line Play Fundamentals Skills Techniques is a great guideline for high school head football coaches and high school offensive line coaches who have a basic knowledge and understanding of high school offensive line play. Included are ideas, suggestions of instruction, teaching, and organization to help those who might be looking for some direction in their process and coaching of the high school offensive line. About the Author: Ned Ennis has a BS degree from Ithaca College in Ithaca, New York, and a MA degree from Montclair State University in Upper Montclair, New Jersey. He has forty-five years of public school teaching experience, thirty-five years of high school football coaching experience, and sixteen years of head football coaching experience at Metuchen High School in Metuchen, New Jersey. He played high school football for Hall of Fame coach Howard Anderson and college football for Hall of Fame coach Jim Butterfield. Ned has enjoyed retirement since 2017. *The Coaching of Football Line Play* Victor Rowen, 1968 *The View from the O-Line* Howard Mudd, Richard Lister, 2016-09-20 *The View from the O-Line* is an NFL narrative that has yet to be told about men who game in and game out, take grueling physical punishment without the expectation of fame and media attention. These are the men who make up the offensive line. Howard Mudd spent more than forty years in the NFL, first as a player and later as a coach. His narrative anchors this work, while more than twenty contributors, current and former NFL players including Nick Mangold, Jeff Saturday, Frank Winters, and Jackie Slater, executives and officials, add their richly told stories that chronicle the biases faced and overcome by those in this intricate and underestimated position, weaving together an admirable new image of the men playing the sport for reasons beyond simple glory. Clever in craft and modest in spirit, these unheralded players wield the power to make or break a game.
