The Quest for New Mercies Lillian Shockley,2022-01-12 The Quest for New Mercies is a spiritual journey where many of us have begun in our Christian walk We begin with thinking we know who we are which phases into a time in our life where we feel lost until we discover that God is the answer to being found This book of spoken words began the day I moved out of the way and let God tell me who what when where and how He wanted my life to go on a day to day basis As I spent more and more time with our Father we developed a close personal relationship where He would give me spoken words that would speak to not only me but more importantly to whom the intended spoken word was for The initial platform was sharing them with my bishop and pastor which then blossomed into becoming a weekly reading during our church services to God placing into my spirit when they were for specific people such as church members family colleagues and people I would meet during my daily travels It has become a vehicle in lighting up the darkness to reach people in need of love hope peace joy forgiveness humbleness acceptance direction clarity trust and patience that our Father so graciously bestows to all who come to Him through daily prayer and reading His Word Come and join me along this journey and discover as I have that God is the answer to living a life filled with purpose and a plan surpassed by none

It is a Matter of Love Anwer Ghani,2020-07-09 These are selected prose poems on love written in 2020 Anwer Isn t it nice to live in a time that fills you with love So I became more transparent and smiled Don t you feel that many of those stars have come together There is little left to shine love Yes I know and I know it is a matter of love and it told me about the deep gaze So extend your hand to shake hands with the depths and overcome the strange absence Yes I will and we will celebrate Imagine if I were sitting on the hill and not talking to you what would be the fate of love Yes the fate of love It is a matter of love

Colored Whispers Anwer Ghani,2019-01-30 Colored whispers by more than sixty prose poems written by Anwer Ghani in the first half of 2019 we find the same message that Anwer repeats in his speeches and writings that it is the call for a life of peace for the war ravaged Iraqi people
